26.8 miles...

A distance just greater than a marathon but a distance that is prevalent in the mind of every Oklahoma Softball player during a marathon of a season.

It's just 26.8 miles from Marita Hynes Field in Norman to ASA Hall of Fame Stadium in Oklahoma City, site of the Women's College World Series.

Every season at Oklahoma is a journey that covers four months with the ultimate goal of having it cover just 26.8 miles.

Seven times Oklahoma has made the 26.8 mile trip to the WCWS, once making the return trip back with an NCAA Championship trophy.

Oklahoma made the trip in 2012 and with a cast of proven returners and the addition of several talented newcomers, we intend to make the return trip in 2013. I hope you'll join us on that 26.8 mile journey to Oklahoma City.

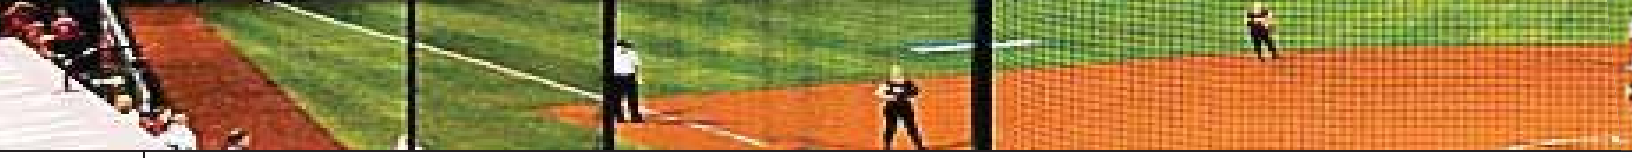
SOONER TRADITION

History is one tough customer at Oklahoma. The tradition, so rich and so long-standing, is as daunting as it is impressive. To be among the best at Oklahoma is to be among the best in college softball. Review complete statistics, award winners, player honors, letterwinners, postseason tradition and records.

200

SEASON BY SEASON

The 2013 season will mark the 39th season of intercollegiate softball at OU. In the previous 38 years, Oklahoma has compiled a program record of 1,430-728-2 (.663) while establishing a Big 12 Conference record of 228-77 (.748).



A Legacy of Champions

Tradition has been defined as a long-established or inherited way of thinking or acting. At the OU Softball Complex in Norman, Okla., that long-established or inherited way of thinking or acting usually involves winning championships. Under head coach Patty Gasso, the Oklahoma Softball program won its first NCAA Championship in 2000 to establish the then up-and-coming program as one of the nation's elite standards that opposing programs measured their ability against.

Since then, Gasso and the Sooners have yet to slow down. Seven Women's College World Series appearances including back-to-back trips in 2011 and 2012, nine Big 12 Championships, 19 straight NCAA tournament appearances, 41 All-Americans, one of just two schools to be in every NFCA Top 25....257 weeks in all.

It's safe to say that a legacy of champions has been established in Norman and that it doesn't appear to be diminishing anytime soon.

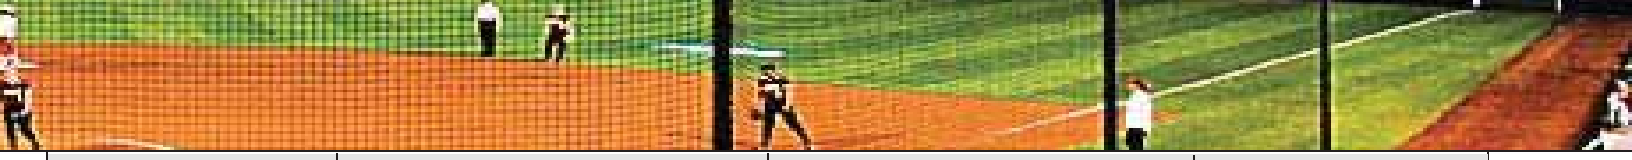
the winning

The numbers tell the story of the Oklahoma softball program's dramatic rise into elite company. The Sooners have made trips to the Women's College World Series seven times. No other team east of Pac-10 country had ever been to five consecutive WCWS until the Sooners did it from 2000-04. OU qualified for the national championship tournament by winning five straight NCAA Regional Championships. During that run to five consecutive WCWS, no team has been more efficient in its efforts. **Patty Gasso's** troops have gone **44-10 in regionals over the last 12 seasons**. Since Gasso stepped onto campus in 1995, the Sooners have won four Big 12 postseason championships, 11 NCAA Regional Championships and qualified for seven WCWS. That is a run that is unparalleled by any program east of Arizona and one that can only be matched by a few out west.

2001 Big 12 Postseason Champions



OU KNOCKS OFF UCLA TO WIN NATIONAL TITLE

The Sooners swept through their home regional as they defeated Harvard, Cal State-Northridge and beat Oregon State twice to make their first ever appearance in the World Series. The Sooner magic continued in Oklahoma City as Oklahoma opened the series with a 2-1 win over California and knocked off Southern Mississippi and perennial powerhouse Arizona to advance to the title game against UCLA. Using a 3-1 win over the Bruins, OU claimed its first national title in program history.

OKLAHOMA MAKES IT TWO STRAIGHT

A year after winning the national title and becoming only the second non-west coast team to win a softball national championship, the Sooners were back in the title hunt again. Once again, OU swept through its home regional after beating Lehigh, North Carolina and No. 12 Washington (twice) to advance to its second straight WCWS. The Sooners carried the nation's longest winning streak into the World Series, but went 1-2 and were eliminated by LSU in a heartbreaking 2-1 game.

SOONERS KNOCK OFF TOP-SEEDED TEXAS

The Sooners faced a tough task as they hosted the top-seeded Texas Longhorns in the Norman Regional. Oklahoma opened the regional with victories over Utah and Texas A&M before facing Texas and Olympic pitcher Cat Osterman. The Sooners avenged a loss to the Longhorns in the Big 12 Tournament as they scored four runs and advanced to the regional finals with a 4-1 win. Texas A&M knocked off Texas again and OU topped the Aggies 4-1 in the final to advance to its third straight WCWS.

OU TAKES REGIONAL, MAKES FOUR STRAIGHT

Different from their first three WCWS appearances, the Sooners had to do it on the road as they were sent to Gainesville, Fla., for the NCAA Regional. It didn't phase the Sooners as OU swept through the regional with the closest margin of victory being four runs. Oklahoma knocked off Bethune Cookman, South Florida, Texas-Arlington and Oregon State on its way to its fourth consecutive Women's College World Series appearance.

SOONERS ADVANCE TO ANOTHER WCWS

OU faced another daunting task when it learned of its NCAA Regional schedule as it was headed to No. 1 Arizona as the No. 2 seed in the toughest regional in the tournament. Oklahoma faced the No. 1 Wildcats in the winner's bracket and upset Arizona, 3-2. The top-ranked Wildcats were knocked out by Louisiana-Lafayette in the loser's bracket final. The Cajuns, who had to beat the Sooners twice, topped OU in the first game but Oklahoma responded with a 15-0 run rule to advance to its fifth WCWS.

OKLAHOMA RETURNS TO SIXTH WCWS

Oklahoma. Arizona. The only two teams to be ranked in the NFCA poll every week of its existence squared off in Tucson for the chance to advance to the Women's College World Series. OU dominated the Wildcats in the opening game, winning 6-0 behind a 3-for-4 performance from Brianna Turang and a solo home run from Keilani Ricketts. The Sooners led 5-0 through six on Saturday and held on to win 5-2 and advance to the program's first WCWS since 2004.

SOONERS REACH CHAMPIONSHIP FINALS

The Sooners rolled through the NCAA Regional, winning all three games by a combined score of 32-4. In the Super Regional, Oklahoma dominated in a two-game sweep of Arizona, 6-0 and 7-1. Three straight wins over USF, Cal and Arizona State put Oklahoma in the Championship Finals of the WCWS. The Sooners captured game one over Alabama with a 4-1 victory, but the Crimson Tide fought back to take game two, 8-6. Down to a decisive game three, Oklahoma came up just short in its quest for a national title.

The title was the first by a women's athletic program at Oklahoma. The Sooners finished the season with the best record in the country at 66-8. Oklahoma, the third seed in the WCWS, got on the scoreboard in the third inning with a two-run home run from All-American first baseman **Lisa Carey** (left). Freshman shortstop **Kelli Braitsch** then nailed an RBI single to left field later in the inning to give OU the 3-0 lead. **Jennifer Stewart** earned the World Series Most Outstanding Player award, earning victories in all four of OU's WCWS wins. Carey and Braitsch joined Stewart on the all-tournament team. OU became just the second non-west coast team to win a softball national championship.

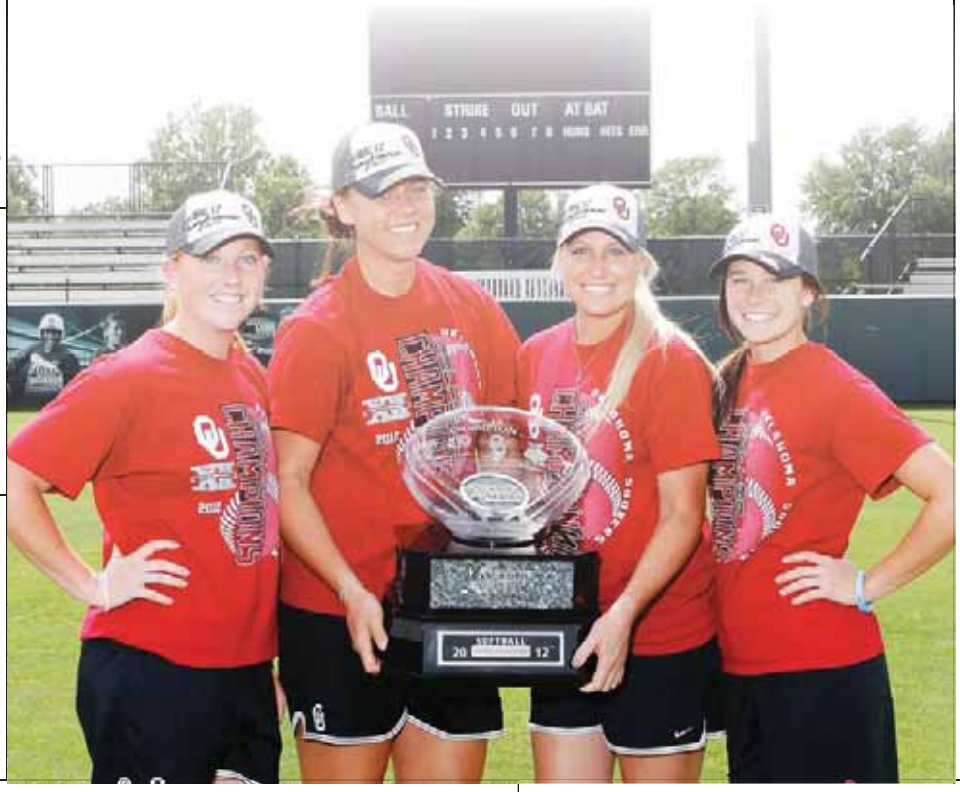
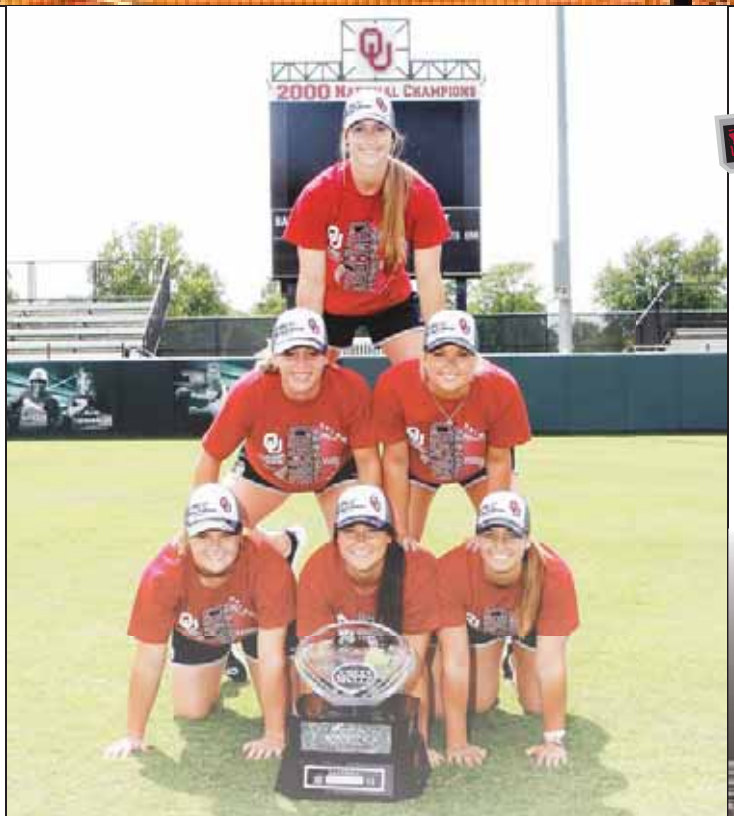
big 12 year-by-year

OU head coach **Patty Gasso** came on board in 1995 and one year later the Big 12 was born. Since season one, the Sooners have proved to be the class of the conference. They won the first regular season title, they were the first to 50 wins and the first to 100 wins. It's no wonder they lead the conference in all-time winning percentage. Below is a look at OU's year-by-year record in Big 12 play.

YEAR	RECORD	FINISH	BIG 12 CHAMPIONSHIP
1996	17-5	First	Champions
1997	14-4	Second	Semifinals
1998	12-5	Second	Runner-Up
1999	11-3	First	Quarterfinals
2000	17-1	First	Semifinals
2001	14-2	Second	Champions
2002	14-2	Second	Semifinals
2003	12-6	Fourth	Runner-Up
2004	11-7	Fifth	Semifinals
2005	12-6	Second	Semifinals
2006	8-10	Fifth	Runner-Up
2007	14-4	Second	Champions
2008	16-2	Second	Quarterfinals
2009	14-4	First	Runner-Up
2010	13-3	Second	Champions
2011	10-8	Fifth	No Tournament
2012	19-5	First	No Tournament





No Big 12 softball program has seen that spotlight shine more brightly in its direction than Oklahoma. No Big 12 team has made more appearances at the WCWS since the inception of the conference in 1996. In fact, Texas is the only other team to make more than one trip to the WCWS during that time frame. OU has more NFCA All-Americans than the rest of the conference. The nation's coaches have voted 41 Sooners onto the NFCA's All-America teams since the inception of the Big 12. Only one other teams - Texas - can claim to have double-digit All-Americans during the era. The Sooners lead the pack in All-Big 12 first team selections (78) and all-time winning percentage (.747).

The Bedlam Series

The Sooners' work in the Bedlam series is even more impressive. Since the official start of The Bedlam Series (2001), the trophy hasn't left Norman. OU has won it outright nine of the 11 years and retained it after splits in 2003 and 2010. Since the start of Big 12 play, OU has done no worse than a split with Oklahoma State in the regular season series, while claiming the series in 14 of 17 years.

Ricketts was also a first-team All-American, first-team all-region, the Big 12 Player of the Year and first-team All-Big 12. Coincidentally, Keilani's older sister, Samantha, is the only other player in OU history to be a finalist for the award when she accomplished the feat in 2007.

getting *recognition*

With team accomplishments comes individual recognition. That adage has held true with the OU softball program, which has raked in just about every honor out there.

Start with the coaching staff. OU head coach Patty Gasso, has been named the Big 12 Coach of the Year five times - 1996, 1999, 2000, 2009 and 2012. Gasso and her staff were named Speedline/NFCA Division I National Coaching Staff of the Year in 2000 after claiming the national championship. The OU staff has also won the NFCA Midwest Region Coaching Staff of the Year award six times - 1996, 1999, 2000, 2001, 2004 and 2012.

OU players have accumulated more honors than any other conference member. The list starts with All-Americans, of which OU has 25 players earning 41 honors. At the regional level, 48 players have received 88 accolades. Among the Big 12 ranks, Sooners have notched first team conference awards 78 times. Add in the 2012 USA Softball Player of the Year, another National Player of the Year finalist, eight Big 12 Players of the Year, three Freshman of the Year honorees, three Defensive Players of the Year, one Newcomer of the Year, one Pitcher of the Year, 54 Player of the Week honors and 35 Pitcher of the Week recognitions and the list becomes overwhelming.

The softball program has always produced well-rounded athletes and the academic honors don't take a back seat. In 2000, Lana Moran became the first Sooner in any sport to garner the Academic All-American of the Year. Seven student-athletes have been named Academic All-Americans. Eleven have earned Academic All-District recognition. A total of 36 were named Academic All-Big Eight and 78 have already earned Academic All-Big 12 acclaim.

The phone in Oklahoma head coach Patty Gasso's office rang three different times. Each time the USA Elite Team selection committee was on the other end. Each time they wanted Gasso to gauge the interest one of her players would have in playing for the 2004 Elite Team.

After the third call, Gasso sat in her office and pondered what had happened over the last month. During that span, three Sooners had been invited to play in the First World University Softball Championships as members of the USA Elite Team, which only ranks behind the Olympic Team. Three Sooners were on the 16 player team, which was a first for any team at OU and only the fourth time any softball program had placed that many players on the squad at the same time.

USA Softball's interest in the Oklahoma program continued during the summer of 2006 as alum Norelle Dickson was one of 16 collegiate players to play on the USA World Team in Taiwan. Sooner players have been called on before. Former Sooners Kami Keiter and Heather Scaglione were rookies the 2004 squad. Dickson, on the other hand, played in five tournaments with the Elite squad.Former Sooner Kristin Vesely played for the USA Junior National Team before her freshman year and alum Leah Gulla (2000-03) was part of the most recent Olympic Trials. Additionally, Samantha Ricketts, Christina Enea, Kelli Braitsch and Lisa Carey have received a number of tryouts.

Lauren Chamberlain and Destinee Martinez won gold with Team USA at the III Pan American Championship in August 2010. Team USA defeated Canada, 3-1, to win the event and qualify for the International Softball Federation Junior Women's World Championship where they captured yet another gold, defeating OU teammate and Australian National Team member Georgia Casey

In June 2011, Keilani Ricketts became the first Sooner to be named to the senior women's national team. Jessica Shults was named an alternate for the squad. The two claimed gold with the U.S. in the World Cup of Softball before Ricketts added a second gold medal as the winning pitcher for the U.S. in the Pan American Games.

In the summer of 2012, Shults joined Ricketts on the national squad. Together, the pair helped Team USA win gold at the World Cup of Softball, silver at the ISF Championships and reach the finals of the Canadian Open Fastpitch International Championship

Sooner softball has carved its niche into USA Softball and Gasso should be ready for future calls.

sooners in the *pros*

As the sport of softball has risen in popularity over the last decade, the number of opportunities for collegiate athletes to play following their career has sky-rocketed.

The Sooners have watched numerous alums graduate to the professional ranks. As far back as Jill Most, Jennfier Jaime and Lynnette Velasquez, OU has made an impact on the highest stage of softball.

Amber Flores was taken as the fifth overall pick by the USSSA Pride in 2010. Oklahoma has now had 14 players drafted to the NPF league since its inaugural draft prior to the 2004 season. Flores joins Sooner alums **Samantha Ricketts**, **D.J. Mathis**, **Savannah Long**, **Susan Ogden**, **Lauren Eckermann**, **Norrelle Dickson**, **Heather Scaglione**, **Kami Keiter**, **Christina Enea**, **Erin Evans**, **Christy Ring**, **Leah Gulla** and **Kristin Vesely** who were all drafted by the league.

National Pro Fastpitch is headquartered in Nashville, Tenn. The league, created to give elite female fastpitch players the opportunity to pursue a professional career in their chosen sport, has operated since 1997 under the names Women's Pro Fastpitch (WPF) and Women's Pro Softball League (WPSL).

media attention

The Women's College World Series has been one of the biggest event in Oklahoma over the last few years. The Oklahoma softball team capitalized on that exposure by winning in its first trip to the WCWS in 2000.

Patty Gasso's squad enjoys more coverage than arguably any program in the country. The unique media landscape in Oklahoma has something to do with that. Twenty straight postseason appearances and seven Women's College World Series trips have been a bigger influence. Perhaps nothing better illustrates the softball program's rise than a June 2004, story in the largest paper in the state, *The Oklahoman*. Columnist Jenni Carlson boldly proclaimed head coach Patty Gasso as the best coach at the university. Carlson ranked Gasso's achievements above those of football coach Bob Stoops, basketball coach Sherri Coale and gymnastics coach Mark Williams. One opinion sparked argument throughout the state. Gasso couldn't buy publicity that good. But she and her teams have certainly earned it.

The Sooners are represented on the social media front. The University of Oklahoma Athletics Department has official pages on Facebook, Twitter and YouTube. The softball program utilities all three to provide fans with a behind-the-scenes look at the program. The team's official Twitter account (@SoonerSoftball) is a sport favorite.

Sooner softball receives a big slice of the coverage the University of Oklahoma receives. Behind football and the basketball programs, softball and baseball are next on the food chain. The fact that softball and baseball are on the same level at OU says a lot about the success of Patty Gasso's program. The media attention peaked to a near all-time high in 2004 when the Sooners advanced out of the toughest regional in the country, in the process knocking off No. 1 Arizona and No. 9 Louisiana-Lafayette. The Sooners were not only the biggest story in Oklahoma, but they stole the spotlight on the national level of collegiate softball.

Flores leads Okla. to 6-1 upset of Wash.

SEATTLE —

Senior second baseman Amber Flores hit three solo home runs off Washington pitching star Danielle Lawrie on Thursday night as Oklahoma pulled off a 6-1 upset of the defending NCAA champion Huskies in game one of a super regional of the NCAA tournament.

The Huskies, the tournamentÂ's No. 3 seed, must now win two games Friday to advance to the WomenÂ's College World Series next week in Oklahoma City.

The 14th-seeded Sooners (47-10) blasted three of their five homers in the fifth inning - a leadoff by third baseman Dani Dobbs, then back-to-back shots by Flores and first baseman Jessica Shults.

Flores' homers gave her 15. Shults also has 15 and Dobbs has four.

Oklahoma freshman left-handed pitcher Keilani Ricketts struck out nine Washington batters and allowed just two hits. The Huskies (48-7) went down in order until shortstop Jenn Salling beat out an infield single with one out in the bottom of the fourth. Ricketts improved her record to 32-8.

Amber Flores, OU blast Washington

By MIKE STALWICK

Published: May 28, 2010

SEATTLE — When Oklahoma softball star Amber Flores was asked earlier this week how the Sooners planned to get hits off Washington ace Danielle Lawrie, Flores suggested that prayers would be in order.

Flores' prayers were answered with a bang Thursday night. Three bangs, actually.

Flores blasted three of Oklahoma's five home runs off Lawrie, and freshman Keilani Ricketts threw a two-hitter in a 6-1 romp over top-ranked Washington in the opening game of the best-of-3 Seattle Super Regional.

"Somebody check number 4 (Flores) for steroids!" a joking Husky fan yelled from the stands in the fifth inning after Flores broke the school record with her third homer of the night.

Ricketts stars as Oklahoma pounds Syracuse 10-0

COLLEGE PARK, Md. (AP) — Freshman pitcher Keilani Ricketts allowed one hit in four innings and Oklahoma scored in all four of its at-bats as the Sooners routed Syracuse 10-0 on Friday in the first round of an NCAA softball regional.

Lindsey Vandever, Haley Nix and Katie Norris each had two RBIs for Oklahoma (44-10), which will play Fordham at 5 p.m. Saturday. Syracuse (32-25) will play Maryland in an elimination game Saturday.

Oklahoma scored twice in the first on just one hit off Syracuse starter Jenna Cairo (19-12), who didn't make it out of the inning.

Oklahoma added three runs in the second, two on a single by Norris. The Sooners added a run in the third and four more in the fourth.

Ricketts (29-8) and reliever Michelle Gascoigne combined for 10 strikeouts and a one-hit shutout.

Marita Hynes Field at the OU Softball Complex has been one of the sparkling gems of the sport since it opened its doors in 1998. OU was one of the first schools outside of the Pac 10 to make the commitment to its softball program by building an exclusive facility for the sport. The trend caught on and Oklahoma was again leading the pack in women's athletics as new stadiums have sprung up across the national landscape. The OU Softball Complex uses a synthetic waterproof dirt on the infield and warning track, which allows Patty Gasso's team to train on the field minutes after a rain storm has moved through. A recent addition to the facility was a 6,020-square-foot indoor facility opened in January 2009. The indoor facility features a 65' x 65' infield with Hilltopper infield dirt and storage for the team and grounds crew. The infield also accommodates four hitting lanes.

The complex provides permanent chair back and bleacher seating with a capacity of 1,000; a concessions building and rest rooms; press box; VIP lounge and a ticket office. The complex is equipped with a state-of-the-art underground drainage system, sprinkler system and batting cages. A paved parking lot was in place in time for the 1999 season and OU added the Robert E. Young & Family Softball Locker Room in 2002. A full-color video scoreboard was added prior to the 2010 season. The field was named for former softball coach and senior woman administrator, Marita Hynes, in 2004.

softball *pioneer*

It's a tough task to find a single individual who has had more effect on the collegiate sport of softball and its rise in popularity than Marita Hynes. The longtime former senior woman administrator for Oklahoma actually served as the program's second softball coach. When she retired from coaching to begin a career as an administrator, she remained active in the softball world. She spearheaded the fund-raising campaign to build the OU Softball Complex and oversaw its construction. During those years, she helped lure the Women's College World Series to Oklahoma City. For all her contributions to OU and beyond, the athletics department officially christened the playing surface as Marita Hynes Field on April 24, 2004.

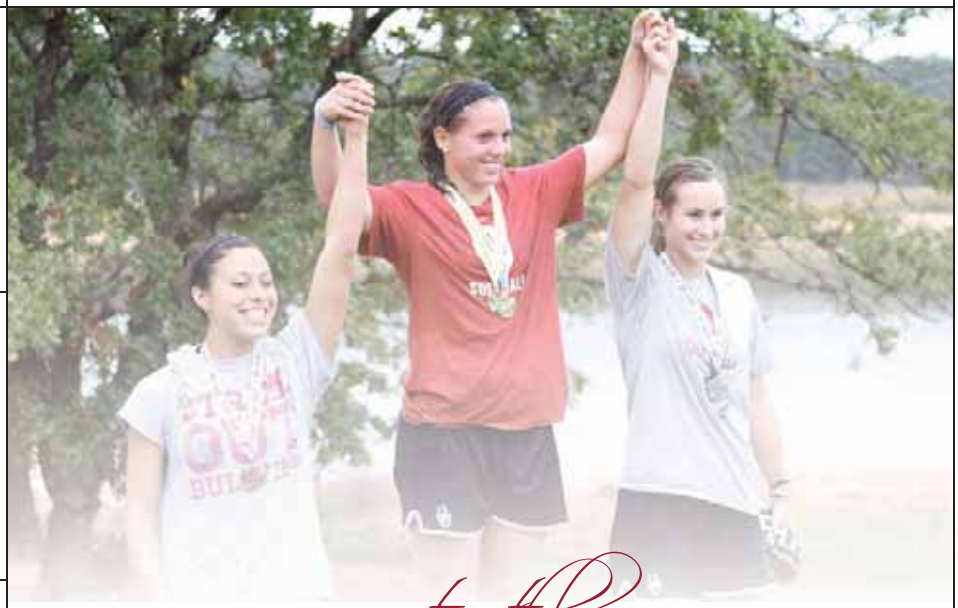
the program

Oklahoma's weight training program is a pioneer in the development of strength and conditioning, and is a vital part of the Sooners' traditional success. OU strength and conditioning coaches utilize their expertise along with a wide array of equipment and tests to produce national championship-caliber athletes.

Evaluation, goal-oriented programs, supervision and state-of-the-art facilities help Oklahoma athletes become bigger, faster, stronger and more flexible. The Robin Siegfried & Family Strength and Conditioning Complex, located in the Barry Switzer Center, has 13,000 square feet to facilitate the intensive training of OU athletes.

The objective of the strength and conditioning program is to ensure each student-athlete in every sport is provided with a sound in-season and off-season program. This program of activity includes strength, conditioning, flexibility and nutrition. A strength and conditioning coordinator for each sport is provided to assist athletes in reaching the highest possible training levels.

Located at the south end of Oklahoma Memorial Stadium, the Barry Switzer Center houses administrative offices, the football locker room, the equipment room, the 8,000-square-foot Henry Freede Sports Medicine Facility and the 7,000-square-foot Touchdown Club Legends Lobby in addition to the Siegfried Strength and Conditioning Complex.



the triathlon

Before the start of the fall season, the OU softball team tackles one of its toughest strength and conditioning tests of the year - the annual triathlon. The 2013 event featured a 400-yard swim, a crossfit training session and 3.2 mile run. The mental test is designed to push the student-athletes to finish and overcome challenges. An overall winner is named, as well as second and third-place finishers. Each event also has a winner. The event is considered the first step on the ladder of the team's ultimate goal - a national championship.

comprehensive *rehabilitation*

Oklahoma feels a strong responsibility to help its athletes reach and maintain their optimum health and achieve conditioning goals. For this reason, OU has developed excellent training and conditioning programs to lessen the possibility of injuries. However, should injuries occur, the department is committed to a comprehensive rehabilitation program. Complete athletically-related medical services are provided to Oklahoma student-athletes by team physicians and OU's certified athletic trainers. The University of Oklahoma obtains the services of the best medical consultants available.

The base of operation for the Sooners' medical care is the state-of-the-art Henry J. Freede, M.D. Sports Medicine Center in the Barry Switzer Center. The addition to the Barry Switzer Center has allowed the university to upgrade to a new edition of rehabilitation equipment that can best benefit the student-athletes. From simple therabands to taping tables, the new facility offers everything a school can have or hope to have. The Sooner training room is equipped to perform isokinetic joint evaluation for preventive medicine and for post-injury rehabilitation. The therapy room is supplied with the latest modalities on the market.

A total team effort is the key to OU's efficiency in preventing, treating and rehabilitating injuries sustained by student-athletes. These measures keep Sooner athletes at their highest level of performance as they compete for championships.

"Sports medicine is a team effort," said OU head trainer Scott Anderson. "The stated goal of athletic training at Oklahoma is, first of all, care for the student-athletes, thereby granting our sports a competitive advantage and ultimately greater esteem for the entire program. To that end, we are blessed with a full complement of self-sacrificing medical professionals working on a regular basis with our athletic training staff."

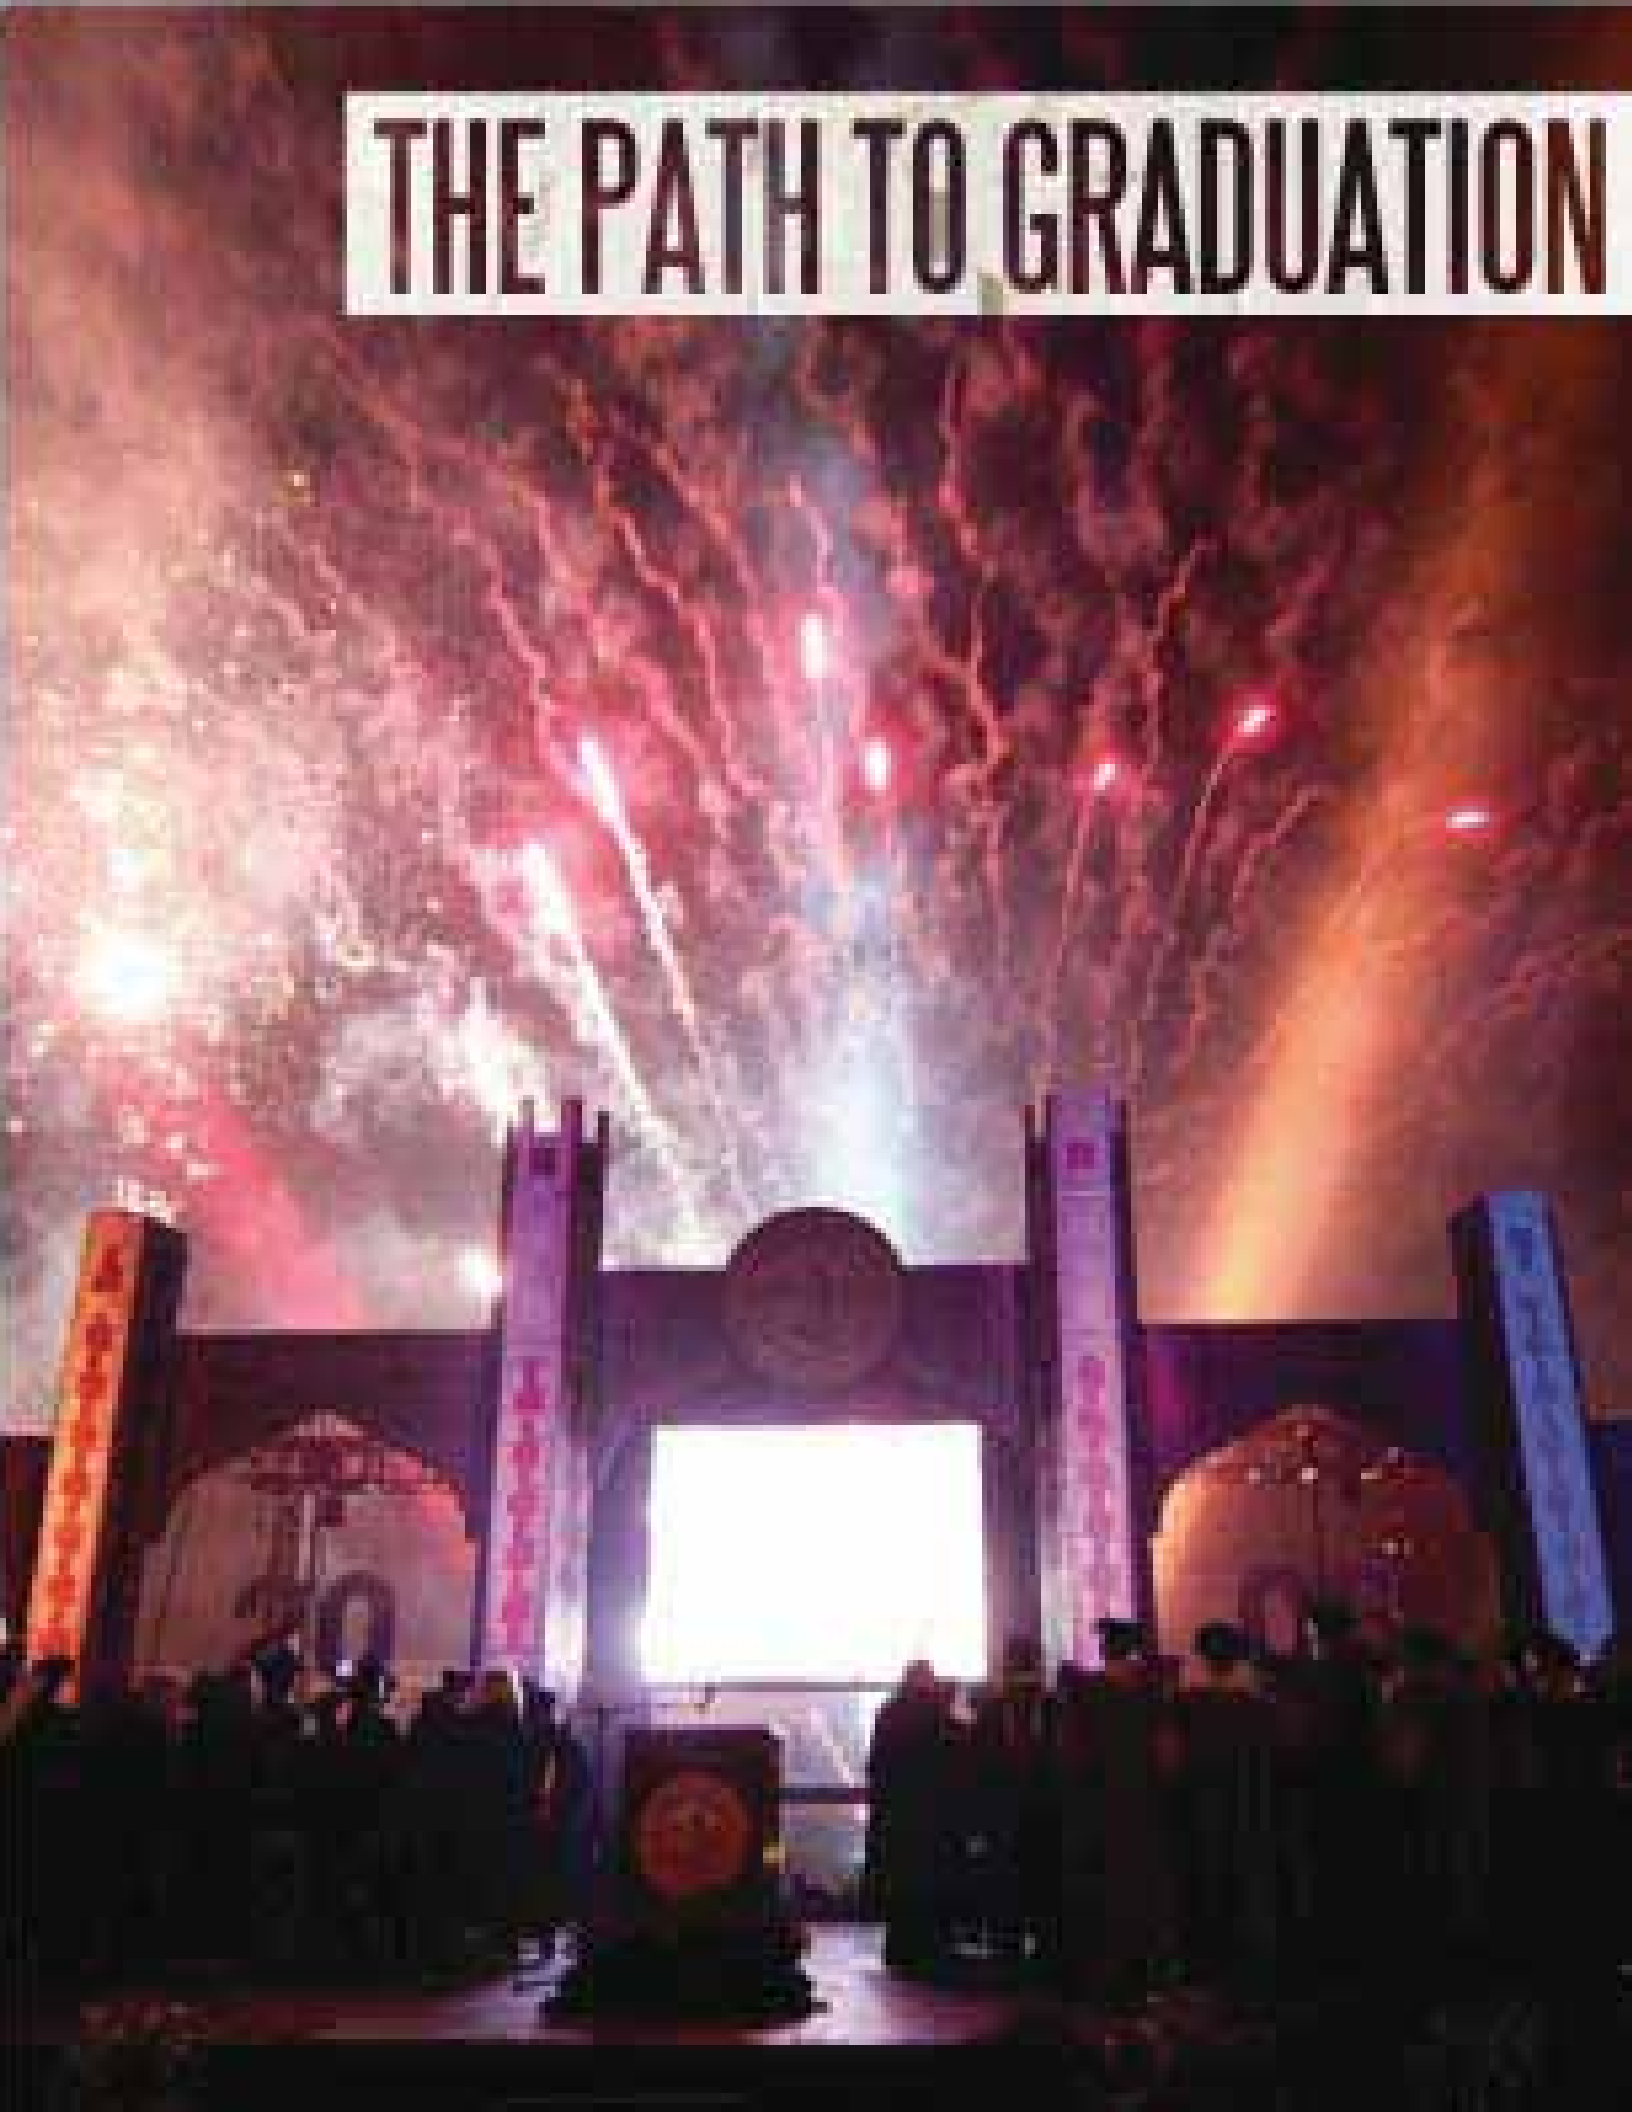
THE PATH TO GRADUATION



OKLAHOMA TRADITIONS

The University of Oklahoma has a long and storied history. The rich tradition has given birth to some of the most recognized pageantry in all of college athletics. Here is a look at the origin of some of the elements that create the wonderful atmosphere so unique to OU:

SOONERS

College sports fans are hard-pressed to find a nickname that is as unique and as tied in to a state's history as a Sooner. The University of Oklahoma is the only school known as Sooners and those who claim that they are Sooners say it with pride.

The Oklahoma Territory opened with the Land Run of 1889. Settlers from across the globe, seeking free land, made their way to the prairies of the plains to stake their claim. One of the few rules to claiming a lot of land was that all participants were to start at the same time, on the boom of a cannon. All settlers who started then were labeled as "Boomers" and the ones who went early were called "Sooners."

OU athletic teams were called either Rough Riders or Boomers for 10 years before the current Sooner nickname emerged in 1908. The university actually derived its name from a pep club called "The Sooner Rooters." The success of University of Oklahoma athletics teams over the years has made the nickname synonymous with winning.

BOOMER SOONER

One of the most recognizable college fight songs in the country, Boomer Sooner immediately evokes enthusiasm from OU fans and sends chills down the spines of those who dare to oppose them.

In 1905, Arthur M. Alden, a student in history and physiology whose father was a Norman jeweler, wrote the lyrics to the fight song, borrowing the tune from Yale University's Boola Boola but improvising the words. A year later, an addition was made to it from North Carolina's I'm a Tarheel Born and the two combined to form today's university fight song. Though the tune was first made known by Yale, the everlasting success of Sooner squads has taken the melody of Boomer Sooner to national popularity.

Boomer Sooner, Boomer Sooner
Boomer Sooner, Boomer Sooner
Boomer Sooner, Boomer Sooner
Boomer Sooner, OK U!
Oklahoma, Oklahoma
Oklahoma, Oklahoma
Oklahoma, Oklahoma
Oklahoma, OK U!
I'm a Sooner born and Sooner bred
and when I die, I'll be Sooner dead
Rah Oklahoma, Rah Oklahoma
Rah Oklahoma, OK U!

MASCOTS

The Sooner Schooner is a Conestoga, or covered wagon, reminiscent of the mode of travel used by pioneers who settled Oklahoma. The Schooner is powered by matching white ponies named Boomer and Sooner, and it ventures onto Owen Field in a triumphant victory ride after OU scores. Although the Schooner was introduced in 1964, it did not become the official mascot until 1980. The Schooner is well-recognized by college athletics fans across the country and makes regular appearances at university functions.

During OU football and baseball games from 1915-1928, Mex the Dog wore a red sweater with a letter "O" on the side. Mex died of old age on April 30, 1928, and he was so popular among students and faculty that the university closed for his funeral and procession on May 2, 1928.

In the fall of 2005, the OU Athletics Deparment introduced costumed mascots. The new characters will act as an extension of the Sooner Schooner and its horses to be enjoyed by fans -- especially children -- at all OU athletics contests. The costumes feature traditional collegiate gear as part of their regular uniform, but will don team uniforms for football and men's and women's basketball. They were voted "Most Collegiate" by the Universal Cheerleading Association (UCA).

CRIMSON AND CREAM

In the fall of 1895, Miss May Overstreet, the only woman on the faculty, was asked to chair a committee to select the colors of the university. The committee decided the colors should be crimson and cream and an elaborate display of the colors was draped above a platform before the student body.

The student body approved with great enthusiasm and immediately pennants, banners, badges and decorations of every description appeared on the streets, in the windows, at chapel, in classrooms, and all public places; however, local merchants could not supply the demand.

Even though the school colors have evolved to red and white over the years, you can ask any self-respecting Sooner what the colors are and they will proudly announce "Crimson and Cream."

On gamedays, a sea of crimson rolls through OU's home venues and all Sooners are urged to wear the official colors to show the rest of the country what school spirit and Sooner Pride is all about.

PRIDE OF OKLAHOMA

The Pride of Oklahoma Marching Band has been supporting Sooner Spirit for more than a century. Unlike many other college bands, which began as military drill units, the Pride of Oklahoma had its beginnings as a pep band.

In the early years of the 1900s, both townspeople of Norman and students of OU participated in a band that played for football games. Professor John Merrill started the first band in 1901, which was composed mostly of townspeople and disbanded after each football season. Lloyd Curtis, a cornetist, founded the first continuous student band in 1904.

Today, the 300-member Pride of Oklahoma has members representing virtually every college and major on campus. The Pride of Oklahoma stands for excellence in musicianship, academics, school spirit, and commitment to our role in the surrounding community.

Boomer Sooner rings out at the end of each rehearsal, and that song is the defining element of the University of Oklahoma. Maybe that is why Sooner fans love the band so much. Not much can compare to the first "go-go" at a football game when the Pride of Oklahoma marches the interlocking OU down the field playing Boomer Sooner.

OU CHANT

The OU Chant is a loyalty song that is sung before every home football game, before and after every men's and women's basketball games and at the end of many athletic and university functions.

Every fan who wears the official colors, each current student and student-athlete and all OU alumni are encouraged to stand and raise one finger in the air during the playing of the Chant -- a symbolic gesture that shows those who do not know what it means to be a Sooner, the greatness of the university and the unity between all Sooners.

The Chant was written in 1936 by Jessie Lone Clarkson Gilkey, who directed the OU girl's glee club from 1936 to 1938 and was voted Outstanding Faculty Woman in 1937.

O-K-L-A-H-O-M-A
Our chant rolls on and on!
Thousands strong
Join heart and song
In alma mater's praise
Of campus beautiful by day and night
Of colors proudly gleaming Red and White
'Neath a western sky
OU's chant will never die.

NORMAN WAS RECENTLY NAMED NO. 6 OF AMERICA'S BEST PLACES TO LIVE AMONG CITIES WITH A POPULATION OF 50,000-300,000.

Norman is an ever-changing city of nearly 100,000 residents. Located in the heart of the state, it has grown to become the third largest city in Oklahoma. Despite its continuous growth, it has maintained the spirit and serenity of a small close-knit community.

Since the Oklahoma landrush of 1889, Norman has grown into a popular and smart city. The spirit of Norman and its citizens is unwavering and uncompromising. While other towns were clamoring to become the state capital, Norman residents desired to have the first state university. When the first OU president got off the train and saw a prairie, he saw opportunity.

As home to the state's premier educational institution, Norman boasts an excellent quality of life and is a city that thrives on and celebrates the diversity of its community.

Legendary University of Oklahoma football coach Barry Switzer called Norman "a university town with a championship spirit." Norman continually exhibits its love for sports by hosting numerous local and national athletic events.
In the last five years alone, Norman has served as host of the NCAA Men's Gymnastics Championship, an NCAA men's golf regional, NCAA softball regionals, NCAA men's and women's gymnastics regionals, NCAA women's tennis regionals, NCAA track and field regional and the NCAA women's basketball regionals. In addition, the Big 12 Conference Men's and Women's Tennis, Track and Field, Wrestling, Women's Golf, and Women's Gymnastics Championships were held in Norman.

Cultural activities are unlimited in Norman, making it the ideal backdrop for the University of Oklahoma. As home to people of all ethnic and educational backgrounds, the city has something to offer everyone. Norman is home to a variety of enriching events and attractions, including the Sooner Theater, which hosts a series of entertaining theatrical performances produced by locally-based talent and touring companies.

The Medieval Fair has become a springtime tradition in Norman as people from around the country converge on the city for one weekend each April to partake in a fascinating look back in time. Each year, an area park is transformed into a festival of sights, sounds and tastes straight from the Middle Ages. Knights joust, jesters entertain and story tellers spin tales of a magical time in history.

The $44 million Sam Noble Oklahoma Museum of Natural History, a state-of-the-art facility designed to display a collection of historical and natural science items that trace the southwest's development since prehistoric times, opened in May 2000. History buffs will also enjoy the Cleveland Country Historical House which holds exhibits relating to the development of this area of the state.

For art enthusiasts, the Fred Jones Jr. Memorial Art Center houses permanent collections, nationally and world-renowned traveling exhibits as well as a yearly student art show. The museum has recently added the Weitzenhoffer Collection of French Impressionist paintings -- the single most important gift of art ever given to a U.S. public university.

Maintaining a progressive approach to the future while remembering its history, Norman continues to be a well-balanced community, proud to be the home of the University of Oklahoma.

OKLAHOMA CITY

Oklahoma City, the capital of Oklahoma, is located just 18 miles from the Norman campus. It was the first city settled in the Land Run of 1889 because of its position as the center of the state. It is because of this central location that Oklahoma City has become known as the home of America's Western heritage. Whether adventure, history, culture or sports, Oklahoma City offers a variety of attractions and activities different from any other place in the country.

Oklahoma City was born on the afternoon of April 22, 1889, when the central portion of what is now Oklahoma was opened to settlement by presidential proclamation. Thousands crossed the borders of "unassigned lands" at the sound of gunfire at high noon. Never before or since has such a "run" occurred anywhere on the earth.

By the time the dust had settled on that historic day, many people had staked their claim at "Oklahoma Station," an area which was destined to become Oklahoma City, a leading city in America. In 1911, Oklahoma City officially became the capital after a statewide election moved the state seal from Guthrie.

Oklahoma City has become a haven for exciting sports action. It is home of an NBA team, two semi-professional sports teams and the host of the NCAA Women College Softball World Series and Big 12 Softball Championship. The Oklahoma RedHawks, 1996 American Association champions (then named the Oklahoma City 89ers), are the Triple-A baseball affiliate of the Texas Rangers. The team plays in the 13,066-seat AT&T Bricktown Ballpark, one of the plushest venues in all of minor league sports. The ballpark served as host to a 2004 NCAA baseball regional and the 2005, 2006, 2007 and 208 Big 12 Baseball Championships.

Hockey mania runs rampant with the recent success of the Central Hockey League's Oklahoma City Blazers. The Blazers won the CHL crown in 1996 and are yearly one of the league's best teams. In addition, the city has hosted numerous PGA and Senior PGA Tour events.

BROADCAST INFORMATION

RADIO
Norman radio station KREF 1400 AM is the Sooner Sports Network flagship affiliate for OU softball programming for the 2010 season.

Brian Brinkley handles radio play-by-play duties for Oklahoma Softball. Brinkley, a current sportscaster with Oklahoma City's KFOR, has been the voice of OU softball and women's basketball for the past 12 seasons.

TELEVISION
Select home broadcasts will be televised via Cox Communications in the Oklahoma City and Tulsa areas.

SOONER SPORTS PROPERTIES
Sooner Sports Properties has exclusive rights for corporate sales for advertising, event sponsorships, game promotions and cross-retail promotions, advertising sales and vending of game programs and athletic periodicals, and the development of the official athletics website, SoonerSports.com and Oklahoma All-Access. Sooner Sports Properties is a division of Learfield Sports.

COVERING PRACTICE
All practices are open to the public. The Sooners will regularly practice at the OU Softball Complex. If inclement weather occurs, they will practice indoors. Members of the media are asked to inform the athletics communications office when they will be attending practice. All those attending practice are asked to stay off the field.

CREDENTIAL REQUESTS
Media credentials for University of Oklahoma home games should be requested at least 24 hours prior to the event. Space is limited in the press box at the Oklahoma Softball Complex and credentials will be given on a first-come, first-served basis. For contests at Don E. Porter Hall of Fame Stadium in Oklahoma City, credentials need to be requested one week prior to the event.

TELEPHONE AVAILABILITY
Telephone lines can be ordered for the OU Softball Complex press box any time before or during the season by calling the OU Telecommunications Office at (405) 325-1873. For games in Oklahoma City at Don E. Porter Hall of Fame Stadium, access to phones is limited. Media should contact AT&T at (800) 640-7250 to arrange their own lines.

GAME DAY MEDIA SERVICES
Weekly OU and Big 12 media releases are provided to media covering OU via the Internet. The Oklahoma athletics communications staff uses The Automated Scorebook to provide box scores and play-by-play immediately following the completion of each game. The athletics communications staff will also provide a game summary which will be e-mailed to all local media and those outlets that request it.

POSTGAME INTERVIEWS
After a brief 10-minute cooling-off period following the game, all coaches and players will be available for interviews in the OU Clubhouse at the OU Softball Complex.

INTERVIEWING COACH GASSO
Media members wishing to interview head coach Patty Gasso may call her directly at (405) 325-8371. Coach Gasso is generally available for interviews weekday mornings and early afternoons prior to practice.

INTERVIEWING STUDENT-ATHLETES
Interviews with University of Oklahoma softball players must be arranged through Karl Anderson of the OU Athletics Communications Office and requested at least 24 hours in advance. Please call Anderson at (405) 325-8571.

SOONERSPORTS.COM
For the latest information on OU softball, including schedule, results, rosters, stats, game notes, standings, interviews and photos, visit the official web site of University of Oklahoma athletics at www.SoonerSports.com. Fans can also purchase an All-Access pass which will carry live video and audio feeds of numerous games this season.

The University of Oklahoma, in conjunction with its multimedia rights partner, Sooner Sports Properties, signed on to become a partner in CBS College Sports Network, the industry leader for online networks. It operates Oklahoma's official athletics Web site, providing Sooner fans with the most in-depth coverage and interactive content of OU sports that has ever been available. SoonerSports.com is ranked in the top five across the board in CBS College Sports' rankings of school and conference sites in its network for the past year.

For many, the site serves as the front door to the Sooner experience. SoonerSports.com also provides an integral link between OU student-athletes, their families, coaches, Oklahoma students, fans, prospective student-athletes, alumni, media, donors, corporate partners, the University and peer institutions in the Big 12 Conference and the NCAA.

In addition to Oklahoma All-Access, CBS College Sports Network launched a custom Web site with a variety of online features, including an e-commerce store, photo galleries and CBS College Sports Network's exclusive GameTracker ™ technology, which allows fans to follow live simulated game action, details and full play-by-play of their favorite Sooner sports.

SEASON PREVIEW

OKLAHOMA

BACK AT IT AGAIN

THE CORE OF OKLAHOMA'S SEVENTH WCWS TEAM RETURNS IN 2013

Coming so close to reaching its goal of a national title in 2012, expectations are very high for the Oklahoma softball team heading into the 2013 campaign.

The majority of that Oklahoma squad returns including some major star power. Combine that with the influx of young talent that has joined the program and everyone has their eyes set on a return trip to Oklahoma City.

Keilani Ricketts returns as the reigning USA Softball Player of the Year, while she joins fellow senior Jessica Shults and freshman Lauren Chamberlain as All-Americans.

Oklahoma returns 13 letterwinners from the 2012 squad and the vast majority of its production.

For the Sooners, 89% of their RBIs, 90% of their hits, 92% of their doubles, 93% of their runs and 94% of their home runs all return this season. In the circle, OU brings back 95% of its innings pitched, 97% of its strikeouts and 98% of its wins.

In addition, the Sooners boast an incoming freshman class with seven players, all of which hail from the state of Oklahoma, and sophomore transfer Shelby Pendley, who was a first-team All-Pac 12 honoree last season at Arizona.

The Schedule

Never one to back down in the regular season, Oklahoma Head Coach Patty Gasso put together yet another loaded schedule in 2013 to test her Sooners prior to postseason play.

Oklahoma will face at least 17 teams that reached the NCAA Regionals, six that advanced to the Super Regionals and one that joined the Sooners at the Women's College World Series.

Nineteen of the Sooners' 55 scheduled games are set to take place at Marita Hynes Field, home of Oklahoma Softball. The home portion of the schedule begins on March 1 when former Big 12 rival Nebraska visits. It's part of the Spring Preview Tournament that also features Houston.

"Our goal is to always load our schedule with good competition because it not only boosts our RPI and helps us prepare for the postseason, but also because our players absolutely love to play in those big games," Coach Gasso explained.

"We loaded up in February and March and we've got a big home doubleheader against Louisiana-Lafayette in early April, which will be a treat," Gasso continued. "We're also bringing Nebraska here in March, which will be a nice homecoming of sorts for them. I like the balance of our schedule this season and I know that the team is looking forward to attacking it."

The Pitchers

Oklahoma returns two of its three pitchers from the previous season, including three-time All-American and the USA Softball Player of the Year **Keilani Ricketts**. An ace in the circle, Ricketts broke the OU single season strikeouts record with for the second year in a row in 2012. The senior from San Jose, Calif., struck out 457 batters on the year and finished second in NCAA in strikeouts, strikeouts per seven innings (11.0), ERA (1.08) and victories (37). She also finished third in the NCAA in shutouts with 15.

The No. 2 pitcher for the Sooners, **Michelle Gascoigne,** also returns for the Sooners after going 16-1 on the year in 2012. Gascoigne, who owns the school record for career winning percentage, had an earned run average of 1.57 on the year with 143 strikeouts in 107.1 innings of work.

Behind Ricketts and Gascoigne, the Sooners feature young and talented pitchers. Sophomore **Georgia Casey** spent most of last season at second base but has experience in the circle after spending time as the starting pitcher for the Australian Junior National Team.

In addition, freshmen **Taylor Dewbery**, **Leslie Miller** and **Jules Townsend** look to gain valuable experience as they learn from their upperclassmen.

The Infielders

Giving Oklahoma Head Coach Patty Gasso one of her strongest batteries to date, All-American and team captain **Jessica Shults** returns to her spot behind the plate for the Sooners. Considered one of the best defensive catchers around, Shults is also a powerful force at the plate, hitting .379 with a .463 on-base percentage and .759 slugging percentage as she led the squad with 74 hits. She added 20 home runs and 65 RBI, ranking second on the team in the latter two categories.

Three Sooners are poised to back up Shults behind the plate as sophomore **Erica Sampson** and freshmen **Whitney Ellis** and **Paris Townsend** all are listed as catchers. Sampson played in 62 games a year ago, though most of her 27 starts came in the outfield.

At first base, sophomore **Lauren Chamberlain**, returns from an All-American performance in 2012. The 2012 Big 12 Freshman of the Year, Chamberlain set the school and Big 12 single-season record with 30 home runs on the season and led the conference with a .878 slugging percentage, 68 runs scored, 78 runs batted in and 172 total bases.

Casey returns as the second baseman after starting every contest at the position since the 16th game of the 2012 season on, earning All-Big 12 first team honors by hitting .346 with 10 home runs and 32 runs batted in.

At third base, **Javen Henson** started 41 of the final 48 games at the hot corner. She finished fifth on the team in home runs (9), doubles (7), runs (32) and RBI (28).

The Sooners boast a pair of options at shortstop in 2013. Sophomore **Jessica Vest** received the majority of starts up the middle a year ago and 53 in total for the year. Oklahoma also welcomes in transfer **Shelby Pendley**, a sophomore from Arizona.

An All-Pac-12 First Team honoree, Pendley started all 57 games at shortstop and led the Wildcats in slugging percentage (.703) and home runs (19). She also finished second on the squad with a .331 batting average, 55 runs batted in, 121 total bases and 39 runs scored.

Kelley Reeves also returns to provide depth for the Sooners in the infield. The sophomore played in 27 games a year ago with six starts as the designated player.

The Outfielders

The Sooners bring back all 192 starts from last seaon's outfield as senior **Brianna Turang**, juniors **Brittany Williams** and **Destinee Martinez**, Reeves and Sampson all return in 2013.

Turang was named to the WCWS All-Tournament Team. She played in 63 games with 58 starts in the outfield and led the team with 11 sac bunts. Turant also tied for the team lead with Keilani Ricketts with two triples. She was second on team with 13 stolen bases and fourth with a .356 batting average

Martinez was also named to the WCWS All-Tournament Team and was an All-Big 12 Second Team honoree. She played in all 64 games with 63 starts and led the team with 17 stolen bases, ranked second with 71 hits and finished third in runs scored (43) and tied for third with five sac bunts.

Williams played in 55 games with 46 starts, mostly in the outfield. She ranked fifth on the team in walks (24) and currently owns the sixth-highest career on-base percentage in OU history at .446.

Sophomore **Callie Parsons** provides depth in the outfield for the Sooners. She played in 52 games a year ago, mostly as a pinch runner. She scored 24 runs on the season.

A pair of freshmen also provide depth in the outfield, **Erin Miller** and **Kady Self**.

Why Oklahoma:
"I chose the University of Oklahoma because I felt it was the best fit for me. I love the environment set by the coaches and players. The softball program is amazing and I felt completely at home. On the academic side, I think it's incredible the help that is available for student-athletes; the academic center blew me away. What I look forward to is reaching my full potential; both on the field and in the classroom."

Coach Gasso Says:
"Leslie Miller is probably one of the most dominant players, leading her high school team to a state championship, not just in the circle but at the plate as well. She's a power hitter that can come through with some big RBI. We noticed her when she was very young and that she had the bat speed of someone like an Amber Flores, which is something that you don't see very often. We knew that she was somebody that we needed to get in our lineup because I wouldn't want to face her. She's a good all-around, strong athlete who will make an impression here."

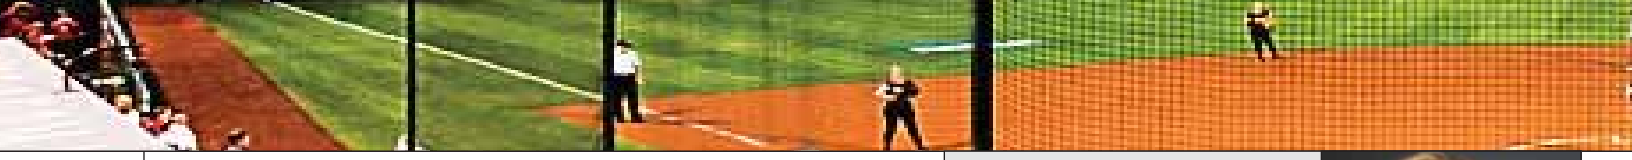
COACHES AND STAFF



Now in her 19th season at the University of Oklahoma, NFCA Hall of Fame head coach Patty Gasso has molded the OU softball program into a national power and permanently placed herself among the elite college softball coaches in the country.

The Sooners have reached the Women's College World Series seven times during her tenure, and in the process, advanced to the postseason in each of her previous 18 seasons. The WCWS run began in 2000 when her team won the NCAA National Championship in OU's first appearance.

Is she the best coach in the history of Oklahoma softball? Undoubtedly.

Is she the greatest coach in Big 12 history? The stats say she is.

Could she be one of the best coaches to ever coach college softball? Each season, she continues to build what is a very strong argument.

Currently in her 23rd season as a head coach, Gasso has a career collegiate coaching record of 1032-338-3 (.753) and holds an overall record of 871-279-2 (.757) at the University of Oklahoma. She has won more Big 12 games (228-77) than any coach in the league's history and has twice as many wins as any other coach in OU history. Gasso's Sooner teams have finished second or higher 13 different times since the inception of the Big 12 in 1996. They have won nearly 75 percent of their Big 12 contests, and OU has claimed five Big 12 regular season and four championship titles under her direction.

Numerous Sooner players have prospered under Gasso's tutelage and garnered national, regional and conference recognition. She has directed 41 All-Americans, 87 All-Region honorees and 118 all-conference selections.

In the Big 12 era, seven Sooners have been named Big 12 Player of the Year a total of eight times, three have been selected as Big 12 Freshman of the Year, one as Big 12 Newcomer and Lauren Eckermann was named OU's first Big 12 Pitcher of the Year in 2007. In 2010, Amber Flores became the first player in league history to earn Player of the Year honors twice.

In addition, 2005 graduate Heather Scaglione was a two-time Big 12 Defensive Player of the Year. Savannah Long became the first infielder to earn the Big 12 Defensive Player of the Year honor in 2008. Lindsey Vandever also earned the award in 2010.

The OU softball success under Gasso has also spilled over into the classroom where the Sooners have been honored with 86 academic all-conference honors. Six of those have gone on to become Academic All-Americans, including Lana Moran, the 2000 Academic All-American of the Year.

Gasso and her staff have consistently been recognized for their efforts on and off the field. The staff was awarded three consecutive Speedline/NFCA Midwest Region Coaching Staff of the Year awards from 1999-2001 and received the national honor in 2000. Gasso and staff have claimed the Midwest honor in six of their 18 seasons with the most recent award coming in 2012. In addition, Gasso has been named the Big 12 Coach of the Year in 1996, 1999, 2000, 2009 and 2012.

The Sooners returned to the Women's College World Series in 2012 for the seventh time in program history and reached the best-of-three championship finals for the second time since the format was changed in 2005.

Keilani Ricketts was named the 2012 USA Softball Player of the Year, the first Sooner to win the honor. She shared All-American accolades with teammates Jessica Shults and Lauren Chamberlain.

All three players also received All-Big 12 First Team honors along with Georgia Casey. Destinee Martinez was named to the conference's second team.

Ricketts was named the Big 12 Player of the Year and set program records for strikeouts in a career, season and game.

Chamberlain was tabbed as the Big 12 Freshman of the Year as she smashed the school and conference record for home runs in a season and broke the school record for slugging percentage.

As a team, OU established new conference bests for slugging percentage and home runs. In addition, school records were broken for strikeouts thrown and strikeouts per seven innings.

The 2011 season saw the Oklahoma Softball program return to the Women's College World Series for the sixth time in program history and the first since 2004. OU made the postseason for the 18th straight season as it won its first ever NCAA Super Regional sweeping Arizona in two games in Tucson.

Ricketts was named a NFCA First Team All-American while Shults earned second team honors as both finished in the USA Softball Player of the Year Top 25. The duo, along with freshmen Destinee Martinez and Brittany Williams, earned NFCA All-Region honors.

Ricketts, Martinez and Chana'e Jones made first team All-Big 12 while Shults, Dani Dobbs and Haley Nix earned second team honors. Dobbs and Michelle Gascoigne earned first team Academic All-Big 12 honors, while Jones took second team honors.

The season saw Gasso claim her 800th win at Oklahoma with a 7-6 win over Washington on March 19, just a little over a month after Gascoigne threw the program's seventh perfect game on Feb. 11. In all 43 program records were set in 2011, including 37 of the postseason variety when the squad caught fire. Ricketts set the program's single-season record for strikeouts while Shults set the season record for putouts by a catcher.

The 2010 season saw great success as the Sooners advanced to NCAA Super Regional play. OU won the final Big 12 Championship and finished second in the regular season. Flores and freshmen Jessica Shults and Keilani Ricketts were named NFCA second team All-Americans. Those three, along with Vandever, earned all-region honors. Flores and Ricketts were top 25 finalists for USA Softball's Collegiate Player of the Year.

Flores was named Big 12 Player of the Year and Vandever was named Defensive Player of the Year. Five Sooners were named to the All-Big 12 first team and two were named to the second team. OU placed five student-athletes on the All-Big 12 Academic team. Flores closed out her career as the Big 12 career leader in home runs and sat atop OU career categories in home runs, extra-base hits, walks drawn, slugging percentage and on-base percentage.

Ricketts also earned most outstanding player honors at the Big 12 Championship and was named conference pitcher of the week three times. She also earned National Player of the Week honors on Feb. 23. Shults was named Big 12 Player of the Week on March 30.

The 2009 Sooners won their fourth Big 12 regular season title and hosted an NCAA Regional for the second consecutive year. Flores was named Big 12 Player of the Year and Gasso earned her fourth Big 12 Coach of the Year honor. Flores was named a first team All-America selection by the National Fastpitch Coaches Association and senior Samantha Ricketts was named to the second team. Flores, Ricketts, Vandever and senior D.J. Mathis were named to the first team All-Central Region by the organization. Flores was also a top 10 finalist for USA Softball's Collegiate Player of the Year.

Five Sooners were named to the first team All-Big 12 team and three were named to the second team. OU placed five student-athletes on the All-Big 12 Academic team. Flores was named Big 12 Player of the Week three times, while Krystle Huey earned the honor once. Mathis was also named Big 12 Pitcher of the Week once during the season. Flores earned NFCA/Louisville Slugger National Player of the Week honors and ESPN/USA Softball National Player of the Week honors on Feb. 10.

In 2008, the Sooners advanced to the NCAA Super Regionals and finished second in the Big 12. In addition to Savannah Long being named the Big 12's Defensive Player of the Year, she and four teammates were named first team All-Big 12. Four Sooners earned All-Midwest Region first team honors with another on the second team.

The Sooners opened the 2007 season by winning their first 23 games of the season and 30 of their first 31 contests. The dominant start propelled the team to a Super Regional berth.

In 2006, Gasso led the Sooners to their 13th straight 40-win season. The young Sooner squad made a strong postseason run, winning 12 of its final 15 contests to finish second in the Big 12 Championship and advance to the NCAA Regional Finals for the seventh consecutive year.

In 2005, the Sooners made their 11th straight NCAA postseason appearance under Gasso and claimed the Regional 14 Championship in front of the home crowd in Norman. Despite missing out on its sixth straight WCWS appearance after dropping a best-of-three series to Arizona in the NCAA Super Regional, the Sooners were one of the best hitting teams in program history (fourth in the nation with a .320 batting average). The highlight of the season was OU's record 29-game winning streak that spanned 36 days and was extended during play in five different states. The Sooners outscored opponents 218-40, run-ruled 10 opponents and claimed five tourney championships during the streak.

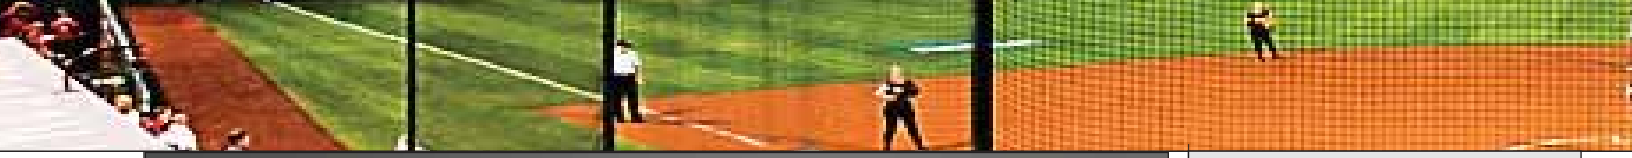
The 2004 season went down as one of the most memorable in Sooner history. OU battled through injuries during the entire regular season and peaked at the right time. OU, seeded second in the NCAA Region I Championship, stormed through Tucson, Ariz., knocking off No. 1 Arizona and No. 9 Louisiana-Lafayette en route to the Sooners' fifth consecutive WCWS.

The Sooners entered the WCWS as the hottest hitting team in the postseason and held onto that recognition, despite being eliminated after winning their opener against Washington. Gasso's staff was recognized for a fifth time as the NFCA Midwest Region Coaching Staff of the Year, thanks to one of the most memorable postseason runs in NCAA history.

Oklahoma fell just short of its goal, the Women's College World Series, but the Sooners proved once again that they were a national powerhouse. That year, OU defeated several top-25 teams including Louisiana State, Texas, Massachusetts, Oregon, Texas A&M, Missouri and Nebraska. In addition, the Sooners swept the four-game series with state rival Oklahoma State. The last victory against the Cowgirls in the regular season finale clinched the Big 12 title.

The 2003 squad was led by five seniors and sophomore hurler Kami Keiter. OU reached its fourth consecutive WCWS by becoming the first Sooner squad to claim a regional championship away from Norman. OU won one game before being eliminated from the 2003 WCWS.

Five Sooners were named to the All-Big 12 Conference first team including senior Leah Gulla, who led the conference in batting average, hits and RBI. Underclassmen Keiter, Scaglione and Kristin Vesely joined senior Erin Evans on the all-conference team. The NFCA bestowed All-America honors on Keiter and Gulla, while Evans joined the duo on the Midwest Region Team.The OU program reached a couple of milestones during the 2003 season. The program recorded



its 1,000th victory when the Sooners knocked off Bethune-Cookman in its regional opener on May 15. Justifying its nickname, the Sooners also became the first Big 12 team to reach the 100-win mark in conference play. OU beat Nebraska, 1-0, in Lincoln on March 20, 2003, to be the first squad to reach the century mark.

In 2002, Oklahoma took their team motto "Triple Threat" to heart as the Sooners swept their third consecutive NCAA Regional and advanced to a third straight Women's College World Series.

Following the 2000 National Championship season, Gasso's 2001 squad continued the string of success. The 2001 team went on to match many of the accomplishments of the previous year, including a return trip to the Women's College World Series, a 50-win season and four All-America selections. The team also established its own successes by compiling a school-record 23-game win streak and the program's first Big 12 Tournament title since 1996.

The 2000 Sooners won their third Big 12 regular season title since the league began in 1996 and hosted their first NCAA Regional since 1997. Behind an explosive offense and a dominant defense, the Sooners rolled to a 66-8 record and won their final eight games of the season to capture the first softball national championship in school history.

Four Sooners earned All-America honors, with Lisa Carey and Ashli Barrett earning first team recognition. Evans and pitcher Jennifer Stewart were both third team All-Americans and Stewart was also named the Most Outstanding Player of the WCWS. The accolades rolled in as Gasso was named the Dallas Morning News Big 12 Coach of the Year. She and her staff also earned the Midwest Region Coach of the Year award and Speedline/NFCA Division I National Coaching Staff of the Year.

In 1999, Gasso led OU to its sixth straight NCAA regional playoff appearance. Along the path to the regional playoffs in Baton Rouge, La., the Sooners seized several awards and honors. For the second time in the three-year history of the Big 12 Conference, OU was crowned regular season champion.

Not only were Gasso's players honored for their accomplishments in 1999, but she was also recognized for her solid coaching effort. Gasso was named the 1999 Big 12 Coach of the Year and joined her staff as the Midwest Regional Coaching Staff of the Year.

The 1998 season was probably one of Gasso's best coaching jobs. However, it wasn't because of the number of wins and losses or the tournaments won by the Sooners. It was due to the fact the team featured six freshmen. Gasso led the young group to a second-place conference finish and a No. 1 seed in a NCAA Regional. Five Sooners were named to the all-conference squad and three players were named to the All-Midwest Region team.

Gasso continued the trend of reaching new heights in 1997 when the team recorded the then-second best record in school history (55-19). The season was highlighted by two impressive 12-game winning streaks that helped the team to a second-place finish in the Big 12. For the fourth consecutive year, OU advanced to a NCAA Regional. It marked the first time in school history that OU hosted the event.

Gasso and the Sooners reached new heights in 1996, recording a 50-20 record, a first-ever Big 12 Championship, and another regional final berth. OU dominated the inaugural Big 12 Tournament, putting five players on the all-tournament squad. Pitcher Jill Most was named the tourney MVP.

Gasso's 1996 squad also became the first team outside of the states of California or Arizona to win the prestigious Pony Tournament. Gasso was recognized by her peers for her team's performance, earning the Big 12 Coach of the Year award. Again, Sooner players were mentioned as some of the league's best with 10 players receiving All-Big 12 recognition.

In her first season at the helm, the Sooners recorded a 43-23 record, finished second in the conference and reached the regional final. Several Sooners received awards for their play during the 1995 season, including 11 players who garnered all-conference accolades (four on the first team).

Gasso's career with the Sooners began in 1995 when she arrived at OU after five successful years at Long Beach City College. Her accomplishments during her tenure at LBCC and since led to Gasso being named to the LBCC Hall of Champions in 2004. Later during the 2004 summer, Gasso was inducted into the inaugural class of the Long Beach City Baseball and Softball Hall of Fame. Gasso was also inducted into the El Camino City College Hall of Fame in 2000.

Gasso and her husband, Jim, reside in Norman with their youngest son, D.J., a senior at Norman North. The couple's oldest son, J.T. is in his second season on the Oklahoma staff as a graduate manager.

Now in her 16th season as a full-time coach, Melyssa Lombardi continues to guide the Sooner pitchers and catchers to even greater accomplishments. Lombardi was promoted to her current position of associate head coach in July 2007.

Drawing from her playing days as a catcher for the Sooners from 1995-96, Lombardi has lent her valuable experiences in tutoring the Oklahoma catchers and pitchers. During her tenure, the Sooners won the 2000 National Championship and have won 11 NCAA Regional Championships in 15 postseason appearances. In addition the Sooners have claimed four Big 12 regular season titles (1999, 2000, 2009, 2012) and three conference tournament championships (2001, 2007, 2010).

A former all-conference catcher for the Sooners, Lombardi has also coached the Oklahoma battery to a combined 15 All-America honors, 26 All-Region accolades and 33 All-Big 12 selections during her time in Norman.

The 2012 season saw Lombardi's battery combine for one of her most successful seasons at OU as Keilani Ricketts and Jessica Shults both garnered first-team All-America honors. The duo also received first team NFCA All-Region honors as Ricketts set the program's single-season strikeouts record with 457 strikeouts. Ricketts, who was named the USA Softball Player of the Year, finished the year second nationally in strikeouts (457), strikeouts per seven innings (11.0), ERA (1.08) and wins (37), and she was third in shutouts (15).

As a staff, the 2012 Sooners set program records for both strikeouts and strikeouts per seven innings.

Lombardi's battery of Ricketts and Shults each earned All-American honors in 2011 as Ricketts and Shults both earned first and second team All-America honors, respectively. The pair each received first team NFCA All-Region accolades as Ricketts set what was then the program's single-season strikeouts record with 452 strikeouts. She finished the year third nationally with 11.1 strikeouts per seven innings. Ricketts also set an OU single-game record with 19 strikeouts vs. Iona while Michelle Gascoigne threw the seventh perfect game in Oklahoma history with an 8-0 win over Appalachian State.

In 2010, Lombardi guided a freshman pitcher in Ricketts to second team All-America honors. Senior catcher Lindsey Vandever earned second team All-Central Region accolades and the duo earned first team All-Big 12 honors. Vandever also became the third OU player to earn Big 12 Defensive Player of the Year. With a pitching staff of two sophomores and two freshmen, Lombardi aided OU in producing a 1.39 earned run average, a mark that was second best in the nation.

Catcher Heather Scaglione earned two straight All-America first team honors in 2004 and 2005. The only two-time first team All-American in school history was also named the Big 12's Defensive Player of the Year in those same years. Scaglione remains the only player in Big 12 history to receive the honor twice.

The 2007 season was one of the most successful for the OU battery. The team posted a 55-8 overall record and Lauren Eckermann earned Big 12 Pitcher of the Year honors. Eckermann went on to be named an All-American and tied the school record for most wins in a season with 37. In 2008, pitcher D.J. Mathis and Vandever earned All-Midwest Region and All-Big 12 honors. Mathis also earned second team All-America honors and ranked among the nation's best in several NCAA categories. Vandever and Mathis earned all-Big 12 honors in 2009 and were named to the NFCA All-Central Region team.

In 2004, Lombardi may have had her biggest challenge since joining the OU staff. The pitching coach had to hold together a staff that was missing its No. 1 and No. 2 pitcher for a combined total of 51 games. Despite the shortage of arms, the Sooners were the third best staff (in terms of ERA) in the Big 12. Lombardi's protégé Kami Keiter turned it up another notch during the postseason when she garnered All-Big 12 Tournament and Region I Championship MVP honors.

In 2003, Lombardi guided Keiter out of the shadows of former Sooner great Jennifer Stewart and into stardom. In just her second collegiate season, Keiter led the Big 12 in wins (47) and was ranked in the NCAA top 15 in two pitching categories. The Sooner pitching staff combined for an ERA of 1.40, which ranked as the 18th best in the NCAA.

In her first year on the coaching staff as a student assistant in 1997, the OU pitching staff produced one of the lowest earned run averages in school history and in the country.

The staff finished with a 1.14 ERA to rank seventh in the nation. The Sooners' pitching performances continued to rank among the nation's elite in 1998 and 1999 and the Sooners' improvement culminated in 2000 with a national championship.

In the national championship season, the team registered a 1.44 ERA which was good enough for second in the Big 12 and ranked 25th nationally. The staff posted 24 shutouts and its best strikeout total in three years with 301.

Lombardi helped guide the one-two punch of Lana Moran and Stewart that year. Moran went 26-2 and led the Big 12 with a 1.28 ERA. Stewart was a third team All-America selection and the MOP of the Women's College World Series. Lombardi also helped catcher Ashli Barrett reach new heights as the junior was named a first team All-American.

The Glendale, Ariz., native ended her two-year Sooner playing career with a spectacular senior season in 1996. Her team-leading .345 batting average was a key factor during OU's Big 12 Conference Championship run that year.

She was also instrumental in helping Jill Most and Jennifer Jaime record two of the best pitching seasons in school history. Lombardi caught all three of Most's wins in OU's conference tournament games and was named to the all-tournament team after going 3-for-8 (.375) at the plate with four RBI, two runs scored, a triple and a stolen base.

Lombardi graduated from Oklahoma in 1997 with a degree in health and sports science. She and her husband, John, were married on Nov. 10, 2000. The couple has one child, a son, Gianni Thomas.

Tripp MacKay is in his sixth season as an assistant on the Oklahoma softball staff where he is responsible for working with OU's outfielders and the Sooner offense. The Sooners have reached the postseason in all five of MacKay's years on staff.

His fifth season saw the team return to the Women's College World Series for the seventh time in program history. As a team, OU established new conference and school bests for slugging percentage and home runs in 2012.

Jessica Shults and Lauren Chamberlain were each named first-team All-Americans and All-Big 12 First Team honorees. Chamberlain was also named the Big 12 Freshman of the Year as she smashed the school and conference record for home runs in a season and broke the school record for season slugging percentage.

In addition, sophomore outfielder Destinee Martinez was tabbed to the 2012 All-Big 12 Second Team, while five players were named Big 12 Player of the Week during the year.

MacKay, along with head coach Patty Gasso and associate head coach Melyssa Lombardi were honored as the 2012 NFCA Midwest Region Coaching Staff of the Year.

The 2011 squad reached to the Women's College World Series as OU put together 29 runs in its five post-season victories. Jessica Shults ranked eighth nationally in home runs per game en route to a second team All-America honor. The Sooners finished the year ranked in the top 25 nationally in scoring, home runs per game and slugging percentage.

The 2010 season saw OU finish the year 47-12 overall and 13-3 in Big 12 play. OU won the final Big 12 Championship and finished second in the regular season. Amber Flores and freshmen Jessica Shults and Keilani Ricketts were named NFCA second team All-America. Flores finished her career as the Big 12 career leader in home runs and sat atop OU career categories in home runs, extra-base hits, walks drawn, slugging percentage and on-base percentage.

The 2009 team wrapped up the year 41-16 overall and 14-4 in Big 12 play. The Sooners won their fourth Big 12 regular season title and hosted an NCAA Regional for the second consecutive year. Flores was named Big 12 Player of the Year and a first team All-American and senior Samantha Ricketts was named to the second team. Flores, Ricketts and junior Lindsey Vandever were named to the first team All-Central Region by the organization. Flores was also a top 10 finalist for USA Softball's Collegiate Player of the Year.

In 2008, MacKay's first season at OU, the Sooners advanced to the NCAA Super Regionals and finished second in the Big 12 with an overall record of 47-14 and 16-2 in league play. Five players were named first team All-Big 12, while four Sooners earned All-Midwest Region first team honors with another on the second team.

MacKay is a familiar name in the state of Oklahoma as he began his collegiate career at the University of Florida and played his final two seasons at Oklahoma State. He was a two-time All-American and a member of the 1996 College World Series team at Oklahoma State. MacKay graduated with a degree in physical education from OSU in 2000.

The second baseman moved on to the professional ranks after being drafted by the Montreal Expos in the 1996 draft. MacKay played for the Vermont Expos and the Cape Fear Crocs in the Montreal Expos organization from 1996-97 and finished his professional play in the Northern League with the Winnipeg Goldeyes (1998-99) and Sioux City Explorers (1999-00).

MacKay began his coaching career with valuable experience at the collegiate level as an assistant coach. He made stops at Blinn College, Palm Beach Community College and Northeast Texas Community College from 1997-2000.

He spent seven years as a private hitting instructor in Dallas and, in 2004, became a partner of the Dallas Performance Edge Training Center. MacKay was instrumental in all aspects of the softball side of the academy including pitching, hitting, fielding, catching, base running and position specific skills.

While serving as an instructor at Performance Edge, MacKay found time to broaden his coaching credentials. The Columbus, Miss., native served as a hitting instructor at Mike Candrea's University of Arizona Summer and Holiday Camps. Prior to his stint at Dallas Performance Edge, MacKay served as a hitting instructor at the Dallas Baseball Academy of Texas from 2000-04.

DAVID L. **BOREN**

13th PRESIDENT
UNIVERSITY OF OKLAHOMA

David L. and Molly Shi Boren

David L. Boren, who has served Oklahoma as governor and U.S. senator, became the 13th president of the University of Oklahoma in November 1994. He is the first person in state history to have served in all three positions.

Boren is widely respected for his academic credentials, his longtime support of education, and for his distinguished political career as a reformer of the American political system. A graduate of Yale University in 1963, Boren majored in American history, graduated in the top one percent of his class and was elected Phi Beta Kappa. He was selected as a Rhodes Scholar and earned a master's degree in politics, philosophy and economics from Oxford University, England, in 1965.

In 1968, he received a law degree from the University of Oklahoma College of Law, where he was on the Law Review, elected to the Order of the Coif, and won the Bledsoe Prize as the outstanding graduate by a vote of the faculty.

As Oklahoma's governor from 1974 through 1978, Boren promoted key educational initiatives that have had an enduring impact on Oklahoma. Established during his tenure were the Oklahoma Arts Institute, the Scholar-Leadership Enrichment Program, and the Oklahoma Physicians Manpower Training Program, which provides scholarships for medical students and medical personnel who commit to practice in underserved rural areas. Also, the first state funding for Gifted and Talented classes was provided in 1976 and, from 1976 through 1978, Oklahoma ranked first among all states in the percentage increases of funding for higher education.

One of Boren's most far-reaching projects in promoting quality education at all levels is the Oklahoma Foundation for Excellence, which he founded in 1985. The foundation recognizes outstanding public school students and teachers and helps establish private local foundations to help give academic endowment grants to local public schools. As a senator, he was the author of the National Security Education Act in 1992, which provides scholarships for study abroad and for learning additional languages, as well as legislation to restore the tax deductibility of gifts of appreciated property to universities in 1993.

Boren, also a former state legislator, spent nearly three decades in elective politics before becoming the president of the University of Oklahoma. Boren was the youngest governor in the nation when he served from 1974 to 1978. Known as a reformer, Boren campaigned with a broom as his symbol. During his term, he instituted many progressive programs, including conflict-of-interest rules, campaign-financing disclosure, stronger open meeting laws for public bodies, more competitive bidding on state government contracts, and reform of the state's prison system, including expanded education programs for first-time offenders and the largest expansion of the work-release program in state history.

During his time in the U.S. Senate from 1979 to 1994, Boren served on the Senate Finance and Agriculture Committees and was the longest-serving chairman of the Senate Select Committee on Intelligence. From his days as a state legislator and governor of Oklahoma to Washington, Boren carried a commitment to reform, leading numerous efforts to make government work better for American citizens. As chairman of the Senate Intelligence Committee, he strengthened oversight of secret government programs and reformed the procedures for Presidential notice of such programs to Congress.

For more than 10 years, he led the fight for congressional campaign finance reform and for legislation discouraging administration and congressional staff from cashing in on government experience and contacts by becoming lobbyists. In addition, he introduced legislation seeking to limit gifts and travel subsidies that government workers, including members of Congress, can receive from lobbyists. Boren also chaired the special 1992-93 Joint Committee on the Organization of Congress, which produced proposals to make Congress more efficient and responsive by streamlining congressional bureaucracy, reducing staff sizes and reforming procedures to end legislative gridlock.

Boren left the U.S. Senate in 1994 with an approval rating of 91 percent after being reelected with 83 percent of the vote in 1990, the highest percentage in the nation in a U.S. Senate contest in that election year.

Boren served from 1988 to 1997 as a member of the Yale University Board of Trustees. His university experience also includes four years on the faculty of Oklahoma Baptist University, where he was chairman of the Department of Political Science and chairman of the Division of Social Sciences. In 1993, the American Association of University Professors presented Boren with the Henry Yost Award as Education Advocate of the Year.

In April 2004, Boren received the Mory's Cup from the Mory's Association at Yale University. In making the presentation to Boren it was noted that he was the first Yale graduate in the university's history extending over three centuries to have served as a Governor, U.S. Senator and President of a major university.

Under Boren's leadership, the University of Oklahoma has developed and emerged as a "pacesetter university in American public higher education," with 20 major new programs initiated since his inauguration. They include establishment of the Joe C. and Carole Kerr McClendon Honors College, the Charles M. Russell Center for the Study of Art of the American West, a new expository writing program for freshmen modeled on the program at Harvard, an interdisciplinary religious studies program, the Artist-in-Residence Program, the International Programs Center, and the Faculty-in-Residence Program putting faculty family apartments in student residence halls. The Retired Professors Program has been started, bringing 50 retired full professors back to the University to teach freshmen.

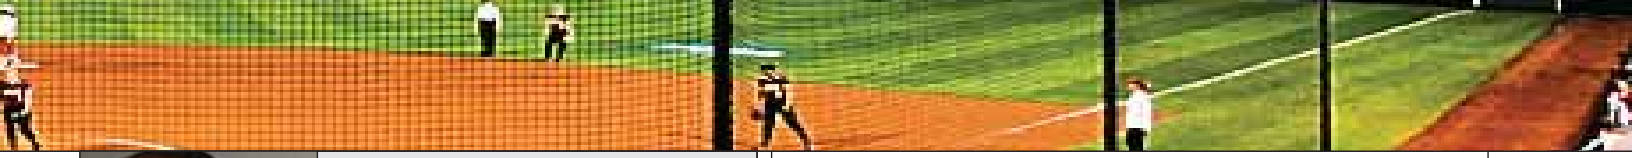
The number of new facilities started or completed on the campus during the Boren years has matched the explosion in new programs. Since 1994, almost $1.9 billion in construction projects have been completed or are under way on OU's three campuses. Among the largest of the recent projects are the $67 million National Weather Center on OU's Norman campus, the $90 million OU Cancer Institute on OU's Health Sciences Center campus in Oklahoma City and the $35 million OU-Tulsa Schusterman Center Clinic .

Presidential Travel Scholarships, students from 111 countries on campus, reciprocal international exchange agreements higher than any other university and the new International Programs Center are all making OU more international. The new Honors College helps to assure that no students need to leave Oklahoma to find an educational experience to match their potential.

In 1995, Boren launched the "Reach for Excellence" fundraising campaign with a five-year goal of $200 million, which was twice as large as any fundraising drive in Oklahoma history. The drive exceeded $500 million, raising OU into the top 15 public universities in the United States in private endowment per capita. Since 1994, endowed professorships have increased from 100 to 557 and the OU donor base has grown from 18,000 to more than 125,000 friends and alumni. During the first 10 years of Boren's tenure over $1 billion in private gifts were donated to the university.

Above all, the Boren years have been marked by an emphasis on putting students first. There is not a university president in the country that is more committed to students as his number one priority. He teaches a freshman-level course in political science each semester and is one of the few presidents of major universities to teach.

Boren is married to Molly Shi Boren, a former judge and English teacher. Mrs. Boren is President Emeritus of the Oklahoma Arts Institute, which provides education programs in nine arts disciplines for high school students from across the state who are gifted in the arts. Molly Boren has two degrees from the University of Oklahoma, a master's degree in English and a Juris Doctorate from the OU College of Law. A native of Seminole, Boren has two children, Carrie Christine Boren, an Episcopal minister, and David Daniel Boren, a member of the United States Congress from Oklahoma. Devoting much of his life to public service, Boren drew from the example of his parents, the late Congressman Lyle H. Boren and Christine Boren.



JOE **CASTIGLIONE**

DIRECTOR OF ATHLETICS
UNIVERSITY OF OKLAHOMA

The Castiglione Family

Renaissance – A rebirth or renewal

The word "renaissance" has often been used to describe the University of Oklahoma since the arrival of David L. Boren as its 13th president. It's no coincidence then that the same term could be used to describe the Department of Intercollegiate Athletics and its leader, Joe Castiglione. Just as Boren has transformed the university community that the department is an integral part of, Castiglione, with the support of Boren and OU's Board of Regents, has done the same thing with the athletics department, easily one of the most recognized representatives of the state's flagship for higher education.

A department with a long tradition of excellence, there are some who would argue that the past 14 years represent the best of the best. With seven national championships and 49 conference titles, including five in the 2011-12 academic year, produced in his tenure, it would be hard to dispute that. A place where competitive dreams come true and academic goals are the expectations, not the exceptions, has been created at OU. Through his leadership and the support of the University's administration, there is a department-wide commitment, involving student-athletes, coaches and staff, to that standard.

The 11th director of athletics at OU, Castiglione arrived on the Sooner campus in 1998 and what he found was nothing like what you would see today. He made some big changes, and, in the process, created a team of administrators, coaches and support staff who have built a climate that pursues ambitious, if not, lofty goals, high standards and a commitment to ethical behavior that is second to none.

The emphasis has been and will always be on OU's nearly 600 student-athletes who have flourished in the atmosphere, creating new levels of excellence in competition and in the classroom only to raise the bar in succeeding years. Their performances enhance the belief shared by Castiglione, the department's staff and the university family that the best is yet to come.

Proof of the overall excellence of the program is demonstrated by the annual Learfield Director's Cup rankings. A runner-up finish by the men's gymnastics and softball teams helped OU continue its top 15 streak as the Sooners finished 14th in the 2011-12 standings. The Sooners broke into the top 10 for the first time in school history at the conclusion of the 2010-11 academic year after finishing 12th in 2009-10. That performance came after the department finished in the top 30 in nine of the previous 11 years, a sustained pattern of excellence not seen before in the history of one of the nation's premier intercollegiate athletics departments.

For Castiglione, though, it's not just about the championships and trophies. The victories that he celebrates with his Sooners include graduation rates that continue to climb, record-setting grade point averages and academic honors. The true measure of achievement for Castiglione and, by extension, the department's coaches and staff, is measured in the success of the student-athletes in relation to the department's mission statement "Inspiring champions today … Preparing leaders for tomorrow."

Since arriving at OU in 1998 after an outstanding administrative career at Missouri, Castiglione has insisted that daily and long-term decisions be made in a financially responsible manner. The result of that commitment has helped the department close the books in the black in each of the last 14 years, making it one of the few Division I programs which remain totally self-sustaining. His understanding of how the department fits into the University's academic mission led to a decision to increase the direct support provided by the department on an annual basis to $5 million dollars. Through direct and indirect support, OU Athletics, under Castiglione's leadership, provides more than $8 million annually to OU's Academics Budget. Facility improvement and construction has been carried out at a record pace and Castiglione takes pride to point out that those improvements have all been paid for with private money.

Castiglione is quick to give full credit to the student-athletes and coaches, the staff, OU President David L. Boren, the OU Board of Regents, the donors and the fans for the success experienced during his tenure. It was that commitment to a team approach emphasis that was one of the many qualities that that the search committee recognized when they recommended Castiglione to university administration in 1998.

In recognition of the performance of OU's teams on the field and in the classroom, of the fiscal stability created during his tenure, the dramatic increases in donor giving, facility construction and renovations, and the cutting-edge programs that the department has begun during his tenure, Castiglione was named National Athletic Director of the Year in May 2009 by the Sports Business Journal.

That award was one of several earned by Castiglione and the department. The 2007 PRISM Award winner, presented by the School of Sports Management at the University of Massachusetts, OU was just the second Division I winner and all of the programs recognized by the selection panel were started under Castiglione's leadership with the full support of university administration.

In November 2012, the United States Sports Academy named him the winner of the Carl Maddox Sports Management Award. In October 2004, the Bobby Dodd Foundation named him Athletics Director of the Year. In 2003, he was inducted into the National Association of Collegiate Marketing Administrators Hall of Fame. In June 2001, he received the General Robert R. Neyland Athletic Director Award for lifetime achievement from the All-American Football Foundation. The National Association of Collegiate Directors of Athletics (NACDA) named him Central Region AD of the Year in 2000.

The achievement that may bring him the most pride, though, came in May 2007 when he completed a master's of education degree from OU. To understand the need for education and lifelong learning, OU's student-athletes just have to look at their AD who started and completed his master's degree while running the department and maintaining his priorities to his family. He quickly put his experience to use as an adjunct professor in the College of Education, teaching graduate classes in Marketing, Development and Leadership in Higher Education. He was recently named to the Jeannine Rainbolt College of Education Board of Advocates.

Castiglione was instrumental in the athletics department's major campaign, Great Expectations: The Campaign For Sooner Sports. The largest fund-raising effort in OU athletics history included projects that impact each of OU's 21 sports and has become a national model for intercollegiate athletics. The campaign ended three years later with more than $125 million raised and that figure has grown to more than $330 million since then as funds continue to be raised for facility improvements, including $75 million Headington Hall student residence facility, and scholarship endowments.

Hired on April 30, 1998, Castiglione joined the Sooner family after serving as athletics director at Missouri. In his 17-year career with the Tigers, Castiglione, who was named director of athletics at Missouri on Dec. 15, 1993, was credited with rebuilding sports programs, hiring outstanding coaches, implementing an innovative master plan for facilities, inspiring record-setting increases in fund-raising and balancing the budget in each of his five years as athletics director.

A 1979 Maryland graduate, Castiglione received the University's Distinguished Alumnus Award in April 2007. He began his career as the sports promotions director at Rice. He then worked a year as director of athletic fund-raising at Georgetown before being hired in 1981 at Missouri as director of communications and marketing.

His commitment to the success of student-athletes has gone beyond the Norman campus and he has served at the national and conference level. He was recently named to the United States Olympic Committee Athlete Career and Education Strategic Working Group. He serves on the NCAA Division I Men's Basketball Committee, filling a term that ends following the 2012-2013 season. He chaired the NCAA's Football Academic Progress Rate (APR) Working Group and is currently serving on the Gatorade Collegiate Advisory Board, the National Football Foundation and College Football Hall of Fame Board of Directors and the NCAA Bowl Licensing Committee.

He served three terms as the chair of the Big 12 Board of Athletics Directors and is a past president of both the Division I-A Athletic Directors Association and NACDA. He served a four-year term on the NCAA Championship/Competition Cabinet and the NCAA Baseball Committee and is a past member of the NCAA Football Special Events Certification Committee. He recently served on the NCAA Diversity Leadership Strategic Planning Committee and the NCAA Division I Women's Basketball Discussion Group. He is currently serving on the NCAA Working Group on Collegiate Model-Rules Committee. A former member of the Phi Delta Theta Foundation Board of Trustees, he is a highly requested speaker at annual conventions and continuing education institutes. In November 2011, he was named to the Broward County (Fla.) Sports Hall of Fame.

His involvement in the local community has led to service with civic clubs, churches and charities, including the United Way of Norman. Castiglione recently served his third term as OU's campus co-chair, which resulted in the highest recorded contributions ever by faculty, staff and students to the United Way of Norman's annual campaign.

A native of Fort Lauderdale, Fla., Castiglione is married to the former Kristen Bartel, a 1990 graduate of the University of Missouri. They are the parents of two sons, Joseph Robert, Jr. and Jonathan Edmund.

HELLO, AGAIN

SOONERS RETURN TO OKLAHOMA CITY FOR SECOND YEAR IN A ROW, REACH SEVENTH WCWS

Led by a powerful lineup and one of the most dominant pitching staffs in the nation, the 2012 Sooners reached the seventh Women's College World Series in program history and reached the Championship Finals for the second time since the format changed in 2005.

At the plate, Oklahoma shattered the school and Big 12 record with 102 home runs on the year, ranked ninth in the nation in scoring and sat 10th in batting average.

In the circle, USA Softball Player of the Year Keilani Ricketts anchored a pitching staff that led the nation with a 1.22 earned run average and struck out 621 batters in 420 innings.

The season started strong for the Sooners as they captured wins in eight of the first nine games of the season. OU won all five games at the Sportco Kick-Off Classic, but bad weather at the ACC/Big 12/SEC Challenge allowed the Sooners to only split a pair of games at the event.

The Sooners then won three in a row to start the Cathedral City Classic before dropping the final two games. OU bounced back, though, and won its next 15 contests before the start of conference play.

Oklahoma continued to roll through the Big 12 as it won seven of its first eight league contests. Finishing with a 19-5 record, OU won every conference series and collected five run-rule victories.

The Sooners hosted an NCAA Regional and rolled through the competition, winning all three games by a combined score of 32-4.

In the Super Regional, Oklahoma once again played host and dominated the competition. In a two-game sweep of Arizona, the Sooners prevailed 6-0 and 7-1. In throwing all 14 innings for OU, Ricketts struck out 22 batters and gave up just one unearned run to help clinch a spot in the Women's College World Series.

Three straight wins over USF, Cal and Arizona State put Oklahoma in the Championship Finals of the WCWS without a blemish. The Sooners captured game one over Alabama in the finals with a 4-1 victory, but the Crimson Tide fought back to take game two, 8-6. Down to a decisive game three, Alabama rallied for a 5-4 win to claim the national title.

Among its awards, Oklahoma featured the USA Softball Player of the Year, three All-Americans, five All-Big 12 honorees, the Big 12 Player of the Year and Big 12 Freshman of the Year.

SOONERS SMASH HOME RUN RECORDS

Led by a Big 12-record 30 home runs by freshman Lauren Chamberlain, the Sooners set school and conference records with 102 home runs on the season. The previous best in OU history was 85 set in 2000, while the conference mark was held by the 2010 Texas squad that hit 88 homers.

The mark goes down as the 13th-highest total in NCAA Division I history and just the 17th time a team reached the century mark. The all-time record is held by Hawaii, which hit 158 in 2010.

GASSO CLAIMS 1000TH CAREER WIN

With a 9-1 victory over Virginia on March 16, Patty Gasso recorded the 1,000th win of her illustrious career.

Following the season, Coach Gasso's record stands at 1,032-338-3 overall and 871-279-2 at Oklahoma.

OU, UA RANKED IN EVERY NFCA POLL

The Sooners have been ranked in the NFCA poll since its inception, which spans 257 weeks. Oklahoma and Arizona are the only programs who have been ranked every week the poll has been released.

RICKETTS SETS STRIKEOUT RECORDS

Keilani Ricketts needed just one appearance in 2012 to capture the Oklahoma career strikeouts record. The junior pitcher entered the season with 798 strikeouts in her first two seasons in Norman and struck out 16 in her season debut versus UNLV to surpass the previous record of 805 set by Jill Most from 1994-97. Ricketts finished the season with 457 strikeouts, breaking her own OU record of 452 which she set in 2011.

CHAMBERLAIN GOES DEEP

Freshman Lauren Chamberlain exploded onto the scene in 2012, earning first-team All-America honors and setting school and conference records for home runs.

She blasted 30 home runs on the season, easily surpassing the OU record of 20 set by Lynette Velazquez in 1999 and matched by Lisa Carey in 2000. Chamberlain also took down Meagan May's Big 12 record of 24 homers hit in 2010. The figure ranks fifth all-time in the NCAA record books, and the mark still belongs to Arizona's Laura Espinoza who hit 37 blasts in 1995.

RICKETTS' PERFECT GAME VS. KANSAS

One season after teammate Michelle Gacoigne threw a perfect game against Appalachian State, Keilani Ricketts joined the exclusive club and threw the first perfect game, and no-hitter, of her career on March 30 against Kansas. Ricketts struck out 10 batters and didn't allow a baserunner in a five-inning, 8-0 win. It was the eighth perfect game in school history.

SEVENTEEN-STRAIGHT WINS

Oklahoma won 17 straight games from Feb. 29 to March 25. It was the longest winning streak since OU won 23 games in a row in 2007. The streak in 2012 began with a 6-1 win over North Texas and culminated in a 1-0 loss to No. 15 Baylor. During their run, the Sooners outscored their opponents 124-11.

Under Patty Gasso, OU has 18 winning streaks of at least 10 games, including three of at least 23 games and six of at least 15.

RICKETTS NAMED USA SOFTBALL PLAYER OF THE YEAR

Keilani Ricketts was named the 2012 USA Softball Collegiate Player of the Year by the Amateur Softball Association at the opening banquet for the Women's College World Series. Ricketts became the first player in Oklahoma history to earn the honor and was just the second to be named a finalist, following in the footsteps of her sister Samantha in 2007.

The award, which is considered the most prestigious honor in Division I women's collegiate softball, is designed to recognize outstanding athletic achievement by female collegiate softball players across the country.

TRIO EARNS ALL-AMERICA HONORS

Juniors Keilani Ricketts and Jessica Shults and freshman Lauren Chamberlain were all named to the 2012 Louisville Slugger National Fastpitch Coaches Association All-America First Teams. Ricketts also earned first team honors as a sophomore after being named to the second team in her debut season, while Shults was named to the second team each of the last two seasons.

FOUR SOONERS EARN NFCA ALL-REGION HONORS

Four members of the Oklahoma Softball program were named to the National Fastpitch Coaches Association (NFCA) All-Central Region teams. Lauren Chamberlain, Keilani Ricketts and Jessica Shults were named to the region's first team while Georgia Casey was named to the second team. Oklahoma has now had 50 players receive NFCA All-Region honors in the program's history.

SOONERS TAKE THREE OF FIVE BIG 12 AWARDS

Oklahoma took three of the five Big 12 yearly awards as junior Keilani Ricketts was named the unanimous Big 12 Player of the Year, Lauren Chamberlain the unanimous Big 12 Freshman of the Year and Patty Gasso was named the Big 12 Coach of the Year for the fifth time in her career.

Ricketts is the eighth player in Oklahoma history to earn the Big 12 Player of the Year award while Chamberlain is the third to earn the Big 12 Freshman of the Year award. Gasso had previously been named the Big 12 Coach of the Year in 1996, 1999, 2000 and 2009. OU had previously won all three awards in the same year once in 1999.

In addition to the three awards, the Sooners placed four athletes on the All-Big 12 first team as freshman Georgia Casey and junior Jessica Shults joined Ricketts and Chamberlain on the team. Sophomore outfielder Destinee Martinez was named All-Big 12 second team.

POLL HISTORY

Oklahoma is one of only two programs to be ranked every week of the National Fastpitch Coaches' Association Coaches' poll. The Sooners entered the rankings at No. 16 in the first poll on January 24, 1995. They have not dropped out since - 257 straight weeks. The Sooners have earned their first top ranking after winning the National Championship in 2000. Oklahoma's average finish is 10.6. Likewise, the Sooners have been ranked every week of the USA Softball poll, dating back to the 2003 season. Oklahoma formally recognizes the NFCA poll as its poll of choice.

SUMMER CAMPS

JUNE 9-13, 2013
Grades 9-12

JUNE 16-19, 2013
Ages 8-18

SOONERSOFTBALLCAMPS.COM

The University of Oklahoma Women's Softball team has become one of the most successful programs in the country. We would like to invite you to join our "commitment to excellence" by enrolling in our camps.

You will have the opportunity to work daily with myself, my outstanding coaching staff, current and past OU Softball players, plus a variety of elite college and high school coaches that share the OU Softball philosophy.

You will have a great time at camp, but most of all you will walk away with knowledge of this wonderful game. You will participate and learn all phases of the game: from offensive and defensive drills, to pitching and catching, base running, strength and conditioning, plus agility. You will have the opportunity to play in competitive games daily.

The goal of this camp is to prepare you for your future in softball. We have fun by challenging each other and working hard. You will experience the "blue collar" style of play that has been the Sooners trademark to success.

We invite you to join us for a week you will never forget. In order to be the best, surround yourself with other athletes who have the same goal. We look forward to working with you this summer and helping you become the best you can be.

Contact the University of Oklahoma softball offices at (405) 325-8361 to obtain a camp application. Complete the application form and return it with the full fee required to the address indicated on the form. The fee is non-refundable unless accompanied by a doctor's note due to a medical emergency. All returned checks are subject to an additional $20 fee.
